Re: Fiscal Year (FY) 2022 State and Local Overtime (SLOT) – Funding Allotment

Dear District Attorney Ogg:

The Harris County District Attorney's Office (HCDAO) is a valued partner with U.S. Immigration and Customs Enforcement, Homeland Security Investigations (HSI) Joint Operations Program which allows HSI to reimburse your office for certain approved expenses incurred in support of our shared law enforcement goals.

HSI's Joint Operations Program is funded by the Treasury Forfeiture Fund and all requested reimbursements must be directly related to expenses incurred as a result of your participation with HSI. It should be further noted that the incurred expenses will be reimbursed after payment of initial expenses. The reimbursements will come from the Treasury Forfeiture Fund and will be distributed in the following category and amount:

Harris County District Attorney's Office (CNET) Overtime: \$4,000.00

This allotment represents the total amount of funding being provided to your office for FY 2022 that commenced on October 1, 2021 and will end on September 30, 2022. One of the most important aspects of managing this program involves the timely submission and processing of your agency's reimbursement packages. To ensure compliance with fiscal law and regulations, **it is critical that your agency submit all reimbursement packages to your HSI point of contact within 30 calendar days after the end of the preceding month.** Packages received after this time will cause a delay in reimbursement to your office.

Thank you in advance for your continued support of HSI. If you have any technical questions or concerns about the program, please feel free to contact ASAC Mario Trevino at mario.trevino@ice.dhs.gov or 281-802-3111.

Sincerely,

Mark Dawson
