Hi Tamara,

Thanks for reaching out. Petco Love hereby grants an extension to 12/31/2024 for usage of grant funds awarded in March 2023. No additional grant reporting will be assigned specific to grant G-2208-39232; however, a requirement of receiving funding is to complete your Annual Data Report every year by March 31st to maintain your partner eligibility status. Should there be any questions, please let me know.

Best regards,

Subject: FW: [X] Project FY23_PETCOLOVE2 - VPH Petco Love Grant Ending 5/31/2024

Good afternoon,

Thank you again for the extension you previously approved for one of our past awards. As soon as the court approves the extension we will utilize the remaining balance. We would also like to request the same for the most recent \$95,000 award. We have a plan in place to spend the funds, but we need more time. We know Petco does not have a time limit for

usage of grant funds awarded, but for Harris County's budgeting purposes we would like to request an extension until **12/31/2024**. We do have plans to spend down the balance. The processes we are required to follow are sometimes lengthy including waiting on court approval to use funds, but we definitely have plans for the funds to support our life-saving goals. Would you so kindly send an approval for this extension? Please let me know if you need further information.

Best Regards,
