The District shall have no obligation to pay for any services hereunder that have been rendered without the prior written authorization for such services by the Director and the issuance of a purchase order for such services by the County Purchasing Agent. The written authorization shall specify the services to be performed, a budget amount for such services, and a required completion date for such services. **Notwithstanding any provision of this Agreement which might be read to the contrary, the District shall have no obligation to pay for any services in an amount in excess of the funds specified in a purchase order issued by the County Purchasing Agent for such services or in excess of the amount certified by the County**

If it should become evident that the Surveyor will not be able to complete any service hereunder by the previously set completion date or within the previously set budget for same, the Surveyor shall notify the Director as soon as possible.

The Surveyor shall, at no additional charge, maintain a record of each purchase order received under the Agreement and shall provide a status report to the Director upon receipt of each purchase order. The District shall pay each statement approved within thirty (30) days after approval by the Director and the Harris County Auditor, provided that the approval or payment of any such statement shall not be considered to be evidence of performance by the Surveyor to the point indicated by such statement, or of the receipt of or acceptance by the District of the work covered by such statement. Upon receipt of such notice, the Surveyor shall discontinue all services in connection with the performance of this Agreement and shall proceed to promptly cancel all existing orders and contracts insofar as such orders or contracts are chargeable to this Agreement. As soon as practicable after receipt of notice of termination, the Surveyor shall submit a statement, showing in detail the services performed under this Agreement to the date of termination. The District shall then pay the Surveyor the prescribed charges for such services actually performed under this Agreement, less such payments on account of the charges as have been previously made.
