IN THE COUNTY CIVIL COURT

AT LAW NO. TWO (2) OF

HARRIS COUNTY, TEXAS

**AGREED JUDGMENT**

Be it remembered on this day came on to be heard the above-styled and numbered cause and both parties announced to the Court that the parties have fully settled and compromised all matters in controversy among them in this case. The Court having heard the representations of counsel and having considered the matters before it, finds as follows:

The Court finds that on June 27, 1983, was heard the above matter before Special Commissioners and freeholders of Harris County, Texas, duly appointed by the Judge of County Civil Court at Law No. 2 of Harris County, Texas, upon the application and petition of Harris County, Texas, (hereinafter referred to as "Harris County" or "Plaintiff") heretofore filed in said Court, praying for the condemnation of a certain parcel of land required for right-of-way over the lands and premises of the following Defendant:

**HENRY J.N. TAUB**

(hereinafter referred to as "Taub" or "Defendant") for the public purpose of opening, widening, straightening, constructing, grading, improving, repairing and maintaining a public road and its appurtenant drains and ditches, for which application to condemn was filed herein; said land being condemned is located in Harris County, Texas, and is more particularly described in the Field Notes attached hereto and marked Exhibit "A", which Exhibit is incorporated herein by reference for all purposes as if fully set out herein.

The Court further finds that the Special Commissioners, having taken the oath required by law, set a place and time for hearing the parties herein, and having given notice, and Taub having been duly and properly served with notice of the time of hearing and the place of

meeting, or having accepted service by executing a Waiver of Service, all as required by law, and all parties having either appeared in person or by their attorneys, or elected not to appear, and announced ready for trial, all matters involved in said condemnation were submitted to the Special Commissioners; and at the appointed time and place, the pleadings and evidence of all parties concerned having been heard by the Special Commissioners, they made the following Award:

The market value of the perpetual easement prayed for in Plaintiff's Amended Original Petition and sought in the land described by Exhibit "A" and purchased and taken by this condemnation case, including all improvements thereon, if any, and damages, if any, to the remainder of Defendant's property by reason of such condemnation and taking, taking into consideration the uses to which the condemned property is to be or could be subjected for public road purposes, was determined to be the total sum of NINE HUNDRED FORTY-EIGHT AND 50/100 DOLLARS (\$948.50), said total amount being the Award of the Special Commissioners herein.

The Court finds the Award was filed on July 20, 1983, together with all papers associated with the condemnation proceeding, and Plaintiff did, on August 16, 1983, deposit in the Registry of the Court the amount of said Award, thus entitling the Plaintiff to possession of the aforescribed land.

The Court finds that Taub timely filed objections to the Award and Findings of the Special Commissioners. Harris County and Taub have advised the Court that they have settled all issues in the case as follows:

1. Harris County and Taub agree that a total sum of FOURTEEN HUNDRED FORTY-EIGHT AND 50/100 DOLLARS (\$1,448.50), plus all accrued interest on the \$948.50 presently in the Registry of the Court, is a fair and reasonable amount as full payment for the market value of the real property acquired herein and said sum represents payment for the property taken and for the improvements located thereon, if any, and any damages, if any, to the remainder property as a result of the taking.

2. As stated above, Harris County previously deposited NINE HUNDRED FORTY-EIGHT AND 50/100 DOLLARS (\$948.50) into the registry of the Court for the benefit of Taub, which \$948.50 still remains in the Court's registry together with any interest accrued thereon and which said funds constitute a portion of the total sum to be paid to Taub as referenced above. Accordingly, Harris County shall only pay an additional sum of FIVE HUNDRED AND NO/100 DOLLARS (\$500.00) to Taub, which said sum is the difference between the total sum \$1,448.50 and the \$948.50 referenced herein.

3. Taub and Harris County agree to withdraw objections to the Special Commissioners' Award herein.

4. Harris County, further, agrees to abandon the drainage easement (27,362 sq. ft., 0.6281 acres of land) more particularly described in Volume 1346, Page 281 of the Harris County Deed Records.

The Court finds these terms are fair and just. The Court further finds that Harris County and Taub agree that the balance of FIVE HUNDRED AND NO/100 DOLLARS (\$500.00) paid to Taub, referenced herein, is the total additional amount that Harris County will ever make in regard to the condemnation of the property described in Exhibit "A", and that, together with the funds of \$948.50, plus accrued interest presently on deposit in the Court's registry, said combined amounts of \$1,448.50, plus all accrued interest on the \$948.50 presently in the Registry of the Court, constitute full payment for the property taken, including all improvements thereon, if any, and any damages to the remainder property. Further, Taub agrees that Harris County shall have a decree of condemnation for the purposes prayed for in Plaintiff's Amended Original Petition filed in this cause. The Court hereby approves the aforesaid agreements and enters Judgment accordingly. It is therefore,

ORDERED, that the objections of the Defendant to the Award are withdrawn and the terms of Settlement be, and the same hereby are, adopted and made the Judgment in this cause, and the Clerk is directed to enter the same in the Minutes of this Court,

**ORDERED**, that the aforesaid Award sum of NINE HUNDRED FORTY-EIGHT AND 50/100 DOLLARS (\$948.50), plus all accrued interest on that sum, heretofore deposited by the Plaintiff into the Registry of this Court, be disbursed to Henry J.N. Taub by the County Clerk by check made payable to: Henry J.N. Taub, Texan Building, 4<sup>th</sup> Floor, 333 West Loop North, Houston, Texas 77024,

**ORDERED**, that Harris County pay to Taub the additional sum of FIVE HUNDRED AND NO/100 DOLLARS (\$500.00) as just compensation for the land acquired in this cause and the improvements located thereon, if any, and for the damages, if any, to the remaining property as a result of the taking,

**ORDERED**, that Harris County shall abandon the drainage easement (27,362 sq. ft., 0.6281 acres of land) more particularly described in Volume 1346, Page 281 of the Harris County Deed Records,

**ORDERED**, that there is reserved to Defendant, all oil, gas and sulfur under the perpetual easement and right of way provided, however, that the Defendant shall not be permitted to explore, develop, drill, mine, operate or produce for such oil, gas and sulfur on the surface of the perpetual easement and right of way, but will be permitted to extract oil, gas and sulfur from and under the said perpetual easement and right of way by directional drilling or other means from land located outside the boundaries of the perpetual easement and right of way, so long as Plaintiff's use of the said perpetual easement and right of way for the purposes set forth herein is not disturbed, and the facilities located and to be located thereon and the public's use of the same are not obstructed, endangered or interfered with,

**ORDERED**, that a perpetual easement for public road purposes, appurtenant drains and ditches, and the appurtenances necessary thereto in, to, upon, over, across and under the real property described by the attached "A", including title to all improvements thereon, if any, be, and the same is hereby divested out of the Defendant in this cause, and said perpetual easement is hereby granted to and vested in Harris County, Texas, and that a Writ of Possession issue in favor of Harris County, Texas.

The Court finds that Harris County has discharged its constitutional obligation to pay just compensation for the condemnation and taking of the real property described by Exhibit "A", for the improvements thereon, if any, and for the damages, if any, to the remainder of Defendant's land, taking into consideration the uses to which the condemned property is to be or could be subjected for public road purposes. It is therefore,

ORDERED, that Harris County, be and is hereby discharged of its constitutional obligation to pay just compensation for the condemnation and taking of the real property described by Exhibit "A", for the improvements thereon, if any, and for the damages, if any, to the remainder of Defendant's land, taking into consideration the uses to which the condemned property is to be or could be subjected for public road purposes,

ORDERED, that all costs of Court incurred in this case be taxed against the Plaintiff, which costs have been paid.

SIGNED this \_\_\_\_\_ day of MAR 30 1998, 1998.
