

**CONTRACTUAL AGREEMENT FOR
RIGHT-OF-WAY UTILITY ADJUSTMENTS**

THE STATE OF TEXAS	§	COUNTY:	Harris
	§	ROAD:	Clay Road
COUNTY OF HARRIS	§		

This Agreement entered into by and between **Harris County** (“County”), acting by and through the Harris County Engineering Department (“HCED”), and **Enterprise Crude Pipeline LLC** (“Owner”). The County and Owner each may also be referred to individually herein as a “Party”, or collectively as the “Parties”.

RECITALS

WHEREAS, County deems it necessary to make certain improvements to Clay Road (“Proposed Road Improvement”), located in Harris County Precinct 4; and

WHEREAS, Owner has asserted an interest in certain lands as set forth in an Affidavit dated November 8, 202[2], and attached hereto as **Exhibit 1** and the Proposed Road Improvement will necessitate the adjustment, removal, or relocation of certain utility facilities of Owner located upon such lands as indicated in the following statement of work (“Work”):

To excavate and remove approximately 240’ each of the abandoned 8” LID C3 (Sealy to Andre Jct. #1) and 8” LID C4 (Sealy to Andre Jct. #2) liquid transmission lines; and

WHEREAS, County desires to accomplish the adjustment, removal, or relocation of Owner’s utility facilities located within the right-of-way (“ROW”) owned by the County and affected by this Agreement,

NOW THEREFORE, the Parties desire to enter into this Agreement, as follows:

I. Owner’s Responsibilities

- A. Upon execution of this Agreement by the Parties, Owner shall submit the Plans and/or Sketch of the Work, Estimate of Costs, Affidavit of Property Ownership, and other instruments, as appropriate, for approval by County.
- B. Owner agrees to prosecute the Work diligently to completion so as to not result in reasonably-avoidable interference or delay in County’s construction of the Proposed Road Improvement or in the Work. Owner will carry out the Work in accordance with the Plans or Sketch attached hereto.

II. County's Responsibilities

Upon County's approval of the instruments referenced in Section I.A of this Agreement, County will authorize Owner in writing to proceed with the Work ("Notice to Proceed"). A copy of the Commissioners Court Order related to this Agreement will be attached to the Notice to Proceed.

III. Terms of Payment

- A. County agrees to pay Owner and Owner agrees to accept payment equal to 100% of the total actual and related indirect costs of the Work, reduced by any applicable salvage and betterment, which may result from the Work ("Owner's Costs"). The amount paid by County pursuant to this Agreement shall be full compensation to Owner for the Owner's Costs ("County's Payment"). County's Payment represents the portion of the Work for which County is legally required to pay and for which Owner is legally entitled to be reimbursed.
- B. Owner shall remit all invoices for reimbursement of Owner's Costs to County no later than ninety (90) days after completion of the Work. Any reimbursement due under this Agreement will be based on the Owner's Costs incurred in a commercially-reasonable manner. Owner shall submit to County an itemized final invoice to include supporting documentation of all costs incurred ("Final Invoice") for the Work. County will reimburse Owner within thirty (30) days of County's receipt of the Final Invoice.
- C. County shall have no obligation to pay Owner for the Work contemplated under this Agreement until sufficient funds are certified by the County Auditor as available from current fiscal funds. The issuance of a purchase order pursuant to this Agreement represents certification by the Harris County Auditor that funds, in the amount of the purchase order total, are available to satisfy all financial obligations of Harris County hereunder.

IV. Limitation of Liability

- A. Unless the Parties mutually agree to modify this Agreement to provide for additional funding, County shall in no event be liable to pay a sum greater than One Hundred Ninety-Nine Thousand One Hundred Thirty-Nine and No/100 Dollars (\$199,139.00) in reimbursement of Owner's Costs ("Limitation of Liability"). Owner shall not be obligated to incur costs in excess of the Limitation of Liability as provided herein.
- B. If circumstances arise such that, based on commercially-reasonable criteria, there is the likelihood that the amount of the Limitation of Liability will be insufficient to cover 100% percent of the Costs of the Work, Owner may (i) notify County of such likelihood and the basis thereof, and inform County of its reasonable estimate of the additional amount that will be sufficient to cover the cost to complete the Work ("Additional Costs"), and, at its option, (ii) stop the Work. Any Additional Costs attributable to the negligence of Owner or its contractor(s) in the performance of the Work shall not constitute "commercially reasonable criteria" and will not be the basis for additional compensation to Owner.

- C. Upon receipt of Owner's notice as described herein, County may submit a request to Commissioners Court to amend or supplement this Agreement to increase the Limitation of Liability by the amount of the Additional Costs. If Commissioners Court does not approve the proposed amendment or supplement within thirty (30) days of County's receipt of Owner's notice, Owner may restore its facilities and seek reimbursement for 100% of the Cost of the Work, including, but not limited to, restoration cost incurred, subject to the Limitation of Liability.

V. Joint Use Permit

Owner's interests in the land within the County's ROW shall be subject to the Joint Use Permit attached hereto as **Exhibit 2** and incorporated herein.
