ORDER

STATE OF TEXAS

COUNTY OF HARRIS

On this, the 2nd day of August, 2022, the Commissioners Court of Harris County, Texas, sitting as the governing body of Harris County, upon motion of Commissioner _____, seconded by Commissioner _____, duly put and carried,

IT IS ORDERED that County Judge Lina Hidalgo or her designee be hereby authorized to approve, and on behalf of Harris County, Texas, to accept, the following grant from the U.S. Department of Transportation:

RIDES Elderly & Disabled Transportation Program FY 2020

Award Amount:	\$470,000
Grant Period:	8/2/22 – 12/31/26

Executive Summary

Request to Accept and Obligate the Enhanced Mobility of Seniors and Individuals with Disabilities (5310 Program) FY 2020 Apportionment

As prescribed in the Moving Ahead for Progress in the 21st Century (MAP 21) Transportation Bill, and now the Fixing America's Surface Transportation (FAST) Act, the Metropolitan Transit Authority of Harris County, Texas (METRO) was named the designated recipient for Federal Transit Administration (FTA) Section 5310 Enhanced Mobility of Seniors and Individuals with Disabilities Program for the Houston Urbanized Area. METRO has consequently apportioned and notified the FTA that Harris County as an existing FTA direct recipient of 5310 funds, will be responsible for accepting and obligating directly to the FTA the allocated funds for the Section 5310 program.

The above funds are allocated to Harris County to provide continuation of mobility management for non-emergency transportation services for the elderly and disabled community.

The FTA allocation for FY 2020 is a total of \$470,000 federal dollars to be used at 100% and no match is required.

Authorization to accept and obligate the FTA Section 5310 Enhanced Mobility of Seniors and Individuals with Disabilities apportionment through FTA Transit Award Management System (TrAMS) is recommended.
