Recitals

Pursuant to § 603(c)(1)(a) of the American Rescue Plan Act 2021 (Pub. Law 117-2), hereinafter referred to as the “Act” or “ARPA,” a grantee of Coronavirus State and Local Fiscal Recovery Funds may respond to the public health emergency with respect to the Coronavirus Disease 2019 (“COVID-19”) or its negative economic impacts, which, pursuant to the Final Rule adopted by the Treasury Department, includes expenditures for response, mitigation, and prevention.

The County has determined that the relief services provided for in this Agreement serve a public purpose and are a necessary expenditure incurred due to the COVID-19 public health emergency.

Contractor represents it is capable and willing to provide the Services.

NOW, THEREFORE, upon and in consideration of the mutual promises and covenants contained herein and for other valuable consideration, the receipt, adequacy and sufficiency of which are hereby acknowledged, the Parties agree as follows:

I. CONTROLLING ADDENDUM

It is expressly understood and agreed that the 2022 Affiliation Application and the HFA Affiliation Contract Summary (the “Agreement”) are attached hereto and incorporated herein by reference. In the event of any conflict between the terms and provisions of the Agreement and this Controlling Addendum, this Addendum shall control.

II. SCOPE OF SERVICES

- A) Contractor shall assist the Department by providing affiliation status in order for the Department to implement a home visitation model and select appropriate curriculum in order to provide maternal health gaps in low- and moderate-income households to further the County’s Maternal and Child Health Program and the U.S. Department of Treasury’s ARPA goals to reduce the far-reaching public health and negative economic impacts of the pandemic on households and communities in response to COVID-19 (the “Services”) in accordance with the specifications set forth in the Agreement. All Services listed within the Agreement shall hereinafter be referred to collectively as the “Project.” “Contract Documents” will include the Agreement, attached hereto as Exhibit A and incorporated by reference, the Coronavirus Local

Fiscal Recovery Fund Award Terms and Conditions, attached hereto as Exhibit B and incorporated by reference, and the Required Federal Clauses, attached hereto as Exhibit C and incorporated by reference.

- B) The Project is described in more detail in the Agreement.
- C) The Parties agree that providing affiliation status, a home visitation model, and a curriculum for low- and moderate-income households in the County in response to COVID-19 through participation in the Project serves a public purpose.
- D) Contractor will deliver the Services in compliance with all applicable federal, state, and local laws, ordinances, rules, and regulations relating to the Services.

III. TERM

The term shall be for a period beginning upon execution by the Parties and remain in full force and effect for twelve (12) consecutive months (the "Term"). Upon mutual agreement, this Agreement may be renewed on the same terms and conditions for four (4) additional one (1) year periods (each a "Renewal Term").

IV. TERMS OF PAYMENT

HFA shall submit to the Harris County Auditor a sworn invoice for services rendered each month to: VENDORINVOICES@HCTX.NET or by mail to: Harris County Auditor, Attn: Accounts Payable, 1001 Preston 8th floor, Houston, Texas 77002. The invoice shall be in a form acceptable to the County Auditor and, at a minimum, include such detail as may be requested by the County Auditor for verification purposes.

The invoices shall, at a minimum, include a description of the Service(s), the cost, and the total amount billed for the Service(s). After receipt of an invoice, the Auditor will forward it to the Department, which shall review and approve it with such modifications as may be deemed appropriate, and then return, with any modifications, to the County Auditor for payment. The County shall pay each invoice as approved by the County Auditor in accordance with the laws of the State of Texas. The County may exercise any and all rights to set off payment in the event of overpayment by the County and or funds owed to the County under this Agreement.

V. LIMITATION OF APPROPRIATION

Contractor expressly understands and agrees that the laws governing the letting of contracts require the approval of the Harris County Auditor and his certification that funds are, or will be, available for the payment of the obligations created under this Agreement before such Agreement becomes effective. Therefore, payment is contingent on the Auditor's certification of funds. Failure to certify funds or to certify sufficient funding for any reason shall not be considered a breach of the Agreement. Contractor understands and agrees, said understanding and agreement being of the absolute essence of this Agreement, that the County has Twenty-Five Thousand Eight Hundred Ninety-Five Dollars and No/100 (\$25,895.00), the total maximum sum of funds certified available for the Term of the Agreement by the Harris County Auditor as evidenced by the issuance of a Purchase Order by the Harris County Purchasing Agent, for the purpose of satisfying the County's obligations, under the

terms and provisions of this Agreement. Contractor understands and agrees, said understanding and agreement also being of the absolute essence of this Agreement, that the total maximum compensation that Contractor may become entitled to hereunder for the Term of the Agreement and the total maximum sum that the County shall become liable to pay to Contractor hereunder shall not under any conditions, circumstances, or interpretations thereof exceed that sum. When all the funds so certified under this Agreement are expended, unless additional funds are certified available as evidenced by a written amendment to the Agreement, Contractor's sole remedy will be to terminate this Agreement in accordance with Article VI to the extent permitted under Article VI.

VI. GRANT FUNDS

- A)** Contractor understands and agrees that this Agreement is contingent upon the availability of third-party funds, including but not limited to federal funds awarded to the State or County ("Grant Funds") for the term of the Agreement. It is expressly understood and agreed that the County has no County funds available with which to pay its obligations hereunder except funds allocated and received by the County under Grant Funds awarded to the County. The County shall not be liable under any circumstances or any interpretations hereof for any costs under this Agreement until the Grant Funds are certified and available for this Agreement by the County Auditor as evidenced by the issuance of a purchase order by the Harris County Purchasing Agent. It shall be the obligation of Contractor to assure itself that sufficient funds have been allocated to pay for the Services to be provided. Should Contractor receive any Grant Funds from the County that are determined to be not subject to payment with Grant Funds, Contractor shall refund to the County any and all such amounts that have been paid by the County. Contractor understands and agrees that the payment obligations created by this Agreement are conditioned upon the availability of third-party funds and appropriated for the payment of such obligations under the Grant Funds. Contractor also understands and agrees that this Agreement is contingent upon Contractor's eligibility to receive funds under federal law, including without limitation the Act and all applicable federal statutes and regulations, and Contractor represents that it is eligible to receive funds under all applicable federal statutes and regulations.
- B)** In the event these Grant Funds are discontinued or reduced during the Agreement term, the County shall not be liable for payment of any funds above the actual Grant Funds allocated and received by the County. In the event the Grant Funds are reduced, and the Parties are unable to renegotiate the Agreement upon mutually acceptable terms, the Contractor's sole and exclusive remedy shall be to terminate this Agreement. The County's obligation to make any payments under the Agreement using Grant Funds is limited to the amount of Grant Funds actually received and is subject to all applicable federal law. Contractor agrees that, in the event that Grant Funds are discontinued or reduced, Contractor will not be entitled to any damages or remedies of any kind, including without limitation damages for work performed, liquidated or incidental damages, late fees, penalties, or finance charges. Failure to certify funds or to certify sufficient funding for any reason shall not be considered a breach of this Agreement. Contractor shall provide the products, Services and Deliverables during the term of the Agreement.
- C)** Contractor understands and agrees that the Grant Funds awarded to the County are the exclusive funding of the Agreement. In order to be eligible for payments under the Grant, Contractor agrees to comply with all of the applicable terms and requirements mandated under

federal law, including without limitation under 2 CFR Part 200 (herein referred to as “Federal Grant Regulations” - also known as Uniform Guidance). To the extent the reimbursement is submitted by Contractor for an ineligible cost, Contractor further agrees to reimburse the County, within thirty (30) days after written notice with reason(s) (if any) for the denial provided by the U.S. Department of Treasury, for any Grant Funds received from the County under the Agreement for which the County is denied reimbursement under the Grant or which are otherwise determined to be ineligible for reimbursement under the Grant.

- D) Contractor understands and agrees that it shall not proceed with any Services until it receives written authorization from the County to begin. If at any time during the course of the Agreement, Contractor knows that the funds available will not cover the cost of the Services, Contractor shall notify the County promptly.
- E) Subject at all times to the availability of Grant Funds and the County’s right to withhold payment of any unallowable charges as determined by federal law, the County shall pay each undisputed invoice in accordance with Texas state law.

VII. TERMINATION

Termination for Convenience. The County may, by written notice to Contractor, terminate this Agreement for convenience, in whole or in part, at any time by giving written notice to Contractor of such termination, and specifying the effective date thereof (“Notice of Termination”). If the termination is for the convenience of the County, the County shall – subject at all times to Articles III, IV, and V – compensate Contractor for work or materials fully and adequately provided through the effective date of termination. No amount shall be paid for unperformed work or materials not provided, including anticipated profit. Contractor shall provide documentation deemed adequate by the County to show the work actually completed or materials provided by Contractor prior to the effective date of termination. This Agreement shall terminate on the effective date of the Notice of Termination.

VIII. TEXAS PUBLIC INFORMATION ACT

- A) The Parties expressly acknowledge that this Agreement is subject to the Texas Public Information Act, Tex. Gov’t Code Ann. §§ 552.001 *et seq.*, as amended (the “Act”). HFA expressly understands and agrees that the County shall release any and all information necessary to comply with Texas law without the prior written consent of HFA.
- B) It is expressly understood and agreed that the County, its officers and employees may request advice, decisions and opinions of the Attorney General of Texas (“Attorney General”) in regard to the application of the Act to any software, or any part thereof, or other information or data furnished to the County, whether or not the same are available to the public. It is further understood that the County, its officers and employees shall have the right to rely on the advice, decisions, and opinions of the Attorney General, and that the County, its officers, and employees shall have no liability or obligations to HFA for the disclosure to the public, or to any person or persons, of any software, or a part thereof, or other information or data furnished to the County in reliance on any advice, decision or opinion of the Attorney General.
- C) In the event the County receives a written request for information pursuant to the Act that affects HFA’ rights, title to, or interest in any information or data or a part thereof, furnished

to the County by HFA under this Agreement, then the County will promptly notify HFA of such request. HFA may, at its own option and expense, prepare comments and submit information directly to the Attorney General stating why the requested information is exempt from disclosure pursuant to the requirements of the Act. HFA is solely responsible for submitting the memorandum brief and information to the Attorney General within the time period prescribed by the Act. HFA is solely responsible for seeking any declaratory or injunctive relief regarding the disclosure of information that it deems confidential or privileged.

- D)** Electronic Mail Addresses. HFA affirmatively consents to the disclosure of its e-mail addresses that are provided to the County, including any agency or department of the County. This consent is intended to comply with the requirements of the Act, and shall survive termination of this Agreement. This consent shall apply to e-mail addresses provided by HFA and agents acting on behalf of HFA and shall apply to any e-mail address provided in any form for any reason whether related to this Agreement or otherwise.

IX. FRAUD WASTE AND ABUSE

Contractor shall promptly report to the County through the County's Fraud, Waste, or Abuse Hotline and also notify the County in accordance with all the Notice provisions contained in this Agreement of all suspected or known instances and facts concerning fraud, waste, abuse, or criminal activity under this Agreement. The Contractor's accounting system to record expenditures must be established and maintained in accordance with generally accepted accounting standards.

BYRD ANTI-LOBBYING AGREEMENT (2 CFR 200 APPENDIX II (J) AND 24 CFR 570.303)

Pursuant to 31 U.S.C. § 1352, if at any time during the contract term funding to contract exceeds \$100,000.00, the Contractor shall file with the County the Federal Standard Form LLL titled “Disclosure Form to Report Lobbying” as laid out in a form available from County upon request.

Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non- Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient who in turn will forward the certification(s) to the awarding agency.

DISCRIMINATION

The Civil Rights Act of 1964, Section 109 of the Community Development Act of 1974, Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794) (24 CFR Parts 8- 9), the Americans with Disabilities Act of 1990 (42 U.S.C. 12131; 47 U.S.C. 155, 201, 218, and 225), and the Age Discrimination Act prohibit Contractors from excluding or denying individuals benefits or participation in this project on the basis of race, color, religion, national origin, sex, disability, or age. The provisions require that no person in the United States shall on the ground of race, color, religion, national origin, sex, disability, or age be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity funded in whole or in part with community development funds made available pursuant to these Acts.

CLEAN AIR ACT and the FEDERAL WATER POLLUTION CONTROL ACT (2 CFR Appendix II to Part 200 (G))

Contractor must comply with all provisions of the Clean Air Act (42 U.S.C. § 7401 et seq.) and the Federal Water Pollution Control Act (33 U.S.C. 1251 et seq.), as amended. Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act and the Federal Water Pollution Control Act as amended.

Contractor agrees to report each violation to the County and understands and agrees that the County will, in turn, report each violation as required to assure notification to the Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office.

CONTRACT WORK HOURS AND SAFETY STANDARDS ACT (2 CFR Appendix II to Part 200 (E))

Pursuant to 2 CFR 200 Appendix II (E), if at any time during the contract term funding to contract exceeds \$100,000 and the contract involves the employment of mechanics or laborers, the Contractor must comply with the Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations. Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous.

COPELAND “ANTI-KICKBACK” ACT (40 U.S.C. 3145)

Contractor shall comply with 18 U.S.C. § 874, 40 U.S.C. § 3145, and the requirements of 29 C.F.R. part 3 as may be applicable, which are incorporated by reference into this contract.

A breach of the contract clauses above may be grounds for termination of the contract, and for debarment as a contractor and subcontractor as provided in 29 C.F.R. § 5.12.

COST PLUS CONTRACTING PROHIBITED (2 CFR 200.324(D))

Cost-plus-a-percentage-of-cost (CPPC) contracts are prohibited by 2 CFR 200.324(d). The cost plus a percentage of cost and percentage of construction cost methods of contracting must never be used, including in subcontracts and third-party contracts. A cost-plus contract is one that is structured to pay the contractor or subcontractor their actual costs incurred, plus a fixed percent for profit or overhead.

A cost-plus-a-percentage-of-cost (CPPC) contract is a contract containing some element that obligates Harris County or Contractor to pay a contractor or subcontractor an amount (in the form of either profit or cost), undetermined at the time the contract was made, to be incurred in the future, and based on a percentage of future costs. The inclusion of an overall contract ceiling price does not make these forms of contracts acceptable.

This type of contract is prohibited because there is no incentive for the contractor or subcontractor to keep its incurred costs low. Instead, there is a reverse incentive for the contractor or subcontractor to continue to incur additional costs in order to continue to drive the percentage of cost up. In other words, increased spending by the contractor will yield higher profits. This prohibition applies to all work, regardless of the circumstances,

and applies to subcontracts of the contractor cases where the prime contract is a cost-reimbursement type contract or subject to price redetermination.

DAVIS BACON AND RELATED ACTS (2 CFR 200 APPENDIX II (D))

Pursuant to 2 CFR 200 Appendix II (D), for any prime construction contract in excess of \$2,000, Contractor must comply with the Davis Bacon, and the requirements shall be applicable to any labor or mechanic work completed in connection with this contract which fall under the Davis Bacon Act. Any Contractor awarded under this contract is required to comply with the Davis Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR part 5) and with the Copeland "Anti-Kickback" Act (18 U.S.C. 874; 40 U.S.C. 3145) as supplemented in Department of Labor regulations (29 CFR part 3). In accordance with the statute, Contractors are required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week.

If Davis Bacon is applicable, Harris County will provide a copy of the current Davis Bacon Wage Decision with this solicitation. The decision to award a contract or subcontract shall be conditioned upon the acceptance of the wage determination. Contractor shall submit certified payroll of contractor and all subcontractors on a weekly basis in the format required by the County. At County's request, Contractor shall make available and shall require its subcontractors to make available, copies of cancelled checks and check stubs for comparisons by the County or its agents.

Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in 29 CFR Part 5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: Provided that the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classification and wage rates conformed under 29 CFR Part 5.5(a)(1)(ii)) and the Davis Bacon poster (WH-1321) shall be posted at all times by the contractor and its subcontractors at the site of the work in a prominent and accessible place where it can be easily seen by the workers.

Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following. The Statement of Compliance can be found on page 2 of the WH-347 form, and/or additional certifications of compliance may be required by Harris County. Any Statement of Compliance is subject to the penalties provided by 18 U.S.C. § 1001, namely, a fine, possible imprisonment of not more than 5 years, or both. Accordingly, the party signing the statement should have knowledge of the facts represented as true.

Harris County shall report all suspected or reported violations to the Federal awarding agency, as applicable.

DEBARMENT / SUSPENSION AND VOLUNTARY EXCLUSION (2 CFR Appendix II to Part 200 (I))

SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

This contract is a covered transaction for purposes of compliance with Title 2 C.F.R. parts 180 and 3000, and as such the Contractor is required to verify that none of the contractor, its principals (as defined at 2 C.F.R. § 180.995), or its affiliates (as defined at 2 C.F.R. § 180.905) are excluded (as defined at 2 C.F.R. § 180.940) or disqualified (as defined at 2 C.F.R. § 180.935). The Contractor must comply with 2 C.F.R. part 180, subpart C and 2 C.F.R. part 3000, subpart C and shall include this requirement and similar certification in all contracts between itself and any subcontractors in connection with the services performed under this Contract.

The Contractor confirms that it is eligible or otherwise not disqualified or prohibited from participation in federal or state assistance programs under Executive Order 12549, *Debarment and Suspension*. Additionally, the Contractor is not debarred, suspended, or otherwise excluded from or ineligible for participation in any federal programs, including but not limited to the following: Department of Health and Human Work (DHHS), Office of Inspector General (OIG) - List of Excluded Individuals & Entities (LEIE); U.S. General Services Administration (GSA) – Excluded Parties List System (EPLS); All States (50) Health & Human Work Commission Medicaid OIG Sanction List; Government Terrorist Watch List (OFAC / Patriot Act); Department of Commerce, Bureau of Industry and Security, Denied Persons List; and Department of Homeland Security, Immigration and Customs Enforcement (ICE) Most Wanted. The Contractor further must notify Harris County in writing immediately if Contractor or its subcontractors are not in compliance with Executive Order 12549 during the term of this contract. Contractor shall include this provision in all contracts between itself and any subcontractors in connection with the services performed under this Contract.

If it is later determined that Contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to the County, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.

Contractor agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. Contractor further agrees to include a provision requiring such compliance in its lower tier covered transactions.

ENERGY EFFICIENCY (42 U.S.C. 6201)

Contractor must comply with the mandatory standards and policies relating to energy efficiency, which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (42 U.S.C. 6201, et seq.). Contractor must include this provision in all contracts between itself and any subcontractors in connection with the services performed under this Contract.

EQUAL EMPLOYMENT OPPORTUNITY (41 CFR 60-1.4(b) and 2 CFR 200 APPENDIX II (C))

Except as otherwise provided under 41 C.F.R. Part 60, to the extent the contract meets the definition of “federally assisted construction contract” in 41 C.F.R. Part 60-1.3, Contractor must comply with, and incorporate or cause to be incorporated into any contract for, or modification thereof, the following Equal Employment Opportunity:

During the performance of this contract, the contractor agrees as follows:

1. The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

2. The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
3. The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee’s essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor’s legal duty to furnish information.
4. The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers’ representatives of the contractor’s commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
5. The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
6. The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
7. In the event of the contractor’s noncompliance with the nondiscrimination clauses of this contract

or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

8. The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted: Provided, That if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

Contractor must include the equal opportunity clause in each of its nonexempt subcontracts, and to require all non- exempt subcontractors to include the equal opportunity clause in each of its nonexempt subcontracts.

EQUAL EMPLOYMENT OPPORTUNITY FOR WORKERS WITH DISABILITIES

During the performance of this contract, the Contractor must comply with required Equal Employment Opportunity for Workers with Disabilities provisions.

Contractor shall include the following equal opportunity clause in each of its covered Government contracts or subcontracts (and modifications, renewals, or extensions thereof if not included in the original contract):

- a. Equal opportunity clause. The Contractor shall abide by the requirements of the equal opportunity clause at 41 CFR 60-741.5(a). This clause prohibits discrimination against qualified individuals on the basis of disability, and requires affirmative action by the Contractor to employ and advance in employment qualified individuals with disabilities.
- b. Subcontracts. The Contractor shall include the terms of this clause in every subcontract or purchase order, so that such provisions will be binding upon each subcontractor or vendor. The Contractor shall act as specified by the Director, Office of Federal Contract Compliance Programs of the U.S. Department of Labor, to enforce the terms, including action for noncompliance. Such necessary changes in language may be made as shall be appropriate to identify properly the parties and their undertakings.

EQUAL EMPLOYMENT OPPORTUNITY FOR VEVRAA PROTECTED VETERANS (41 CFR 60-300)

Harris County is an equal opportunity employer of protected veterans. During the performance of this contract, the Contractor must comply with required Equal Employment Opportunity for VEVRAA Protected Veterans provisions. Contractor shall include the following equal opportunity clause in each of its covered Government contracts or subcontracts (and modifications, renewals, or extensions thereof if not included in the original contract):

- a. The definitions set forth in 41 CFR 60-300.2 apply to the terms used throughout this Clause, and they are incorporated herein by reference.
- b. The contractor shall not discriminate against any employee or applicant for employment because he or she is a disabled veteran, recently separated veteran, active duty wartime or campaign badge veteran, or Armed Forces service medal veteran (hereinafter collectively referred to as "protected veteran(s)") in regard to any position for which the employee or applicant for employment is qualified. The contractor agrees to take affirmative action to employ, advance in employment and otherwise treat qualified individuals without discrimination based on their status as a protected veteran in all employment practices, including the following:
 - i. Recruitment, advertising, and job application procedures.
 - ii. Hiring, upgrading, promotion, award of tenure, demotion, transfer, layoff, termination, right of return from layoff and rehiring.
 - iii. Rates of pay or any other form of compensation and changes in compensation.
 - iv. Job assignments, job classifications, organizational structures, position descriptions, lines of progression, and seniority lists.
 - v. Leaves of absence, sick leave, or any other leave.

- vi. Fringe benefits available by virtue of employment, whether or not administered by the contractor.
 - vii. Selection and financial support for training, including apprenticeship, and on-the-job training under 38 U.S.C. 3687, professional meetings, conferences, and other related activities, and selection for leaves of absence to pursue training.
 - viii. Activities sponsored by the contractor including social or recreational programs.
 - ix. Any other term, condition, or privilege of employment.
- c. The contractor shall immediately list all employment openings which exist at the time of the execution of this contract and those which occur during the performance of this contract, including those not generated by this contract and including those occurring at an establishment of the contractor other than the one where the contract is being performed, but excluding those of independently operated corporate affiliates, with the appropriate employment service delivery system where the opening occurs. Listing employment openings with the state workforce agency job bank or with the local employment service delivery system where the opening occurs will satisfy the requirement to list jobs with the appropriate employment service delivery system. In order to satisfy the listing requirement described herein, contractors must provide information about the job vacancy in any manner and format permitted by the appropriate employment service delivery system which will allow that system to provide priority referral of veterans protected by VEVRAA for that job vacancy. Providing information on employment openings to a privately run job service or exchange will satisfy the contractor's listing obligation if the privately run job service or exchange provides the information to the appropriate employment service delivery system in any manner and format that the employment service delivery system permits which will allow that system to provide priority referral of protected veterans.
- d. Listing of employment openings with the appropriate employment service delivery system pursuant to this clause shall be made at least concurrently with the use of any other recruitment source or effort and shall involve the normal obligations which attach to the placing of a bona fide job order, including the acceptance of referrals of veterans and nonveterans. The listing of employment openings does not require the hiring of any particular job applicants or from any particular group of job applicants, and nothing herein is intended to relieve the contractor from any requirements in Executive orders or regulations regarding nondiscrimination in employment.
- e. Whenever a contractor, other than a state or local governmental contractor, becomes contractually bound to the listing provisions in paragraphs 2 and 3 of this clause, it shall advise the employment service delivery system in each state where it has establishments that: (a) It is a Federal contractor, so that the employment service delivery systems are able to identify them as such; and (b) it desires priority referrals from the state of protected veterans for job openings at all locations within the state. The contractor shall also provide to the employment service delivery system the name and location of each hiring location within the state and the contact information for the contractor official responsible for hiring at each location. The "contractor official" may be a chief hiring official, a Human Resources contact, a senior management contact, or any other manager for the contractor that can verify the information set forth in the job listing and receive priority referrals from employment service delivery systems. In the event that the contractor uses any external job search organizations to assist in its hiring, the contractor shall also provide to the employment service delivery system the contact information for the job search organization(s). The disclosures required by this paragraph shall be made simultaneously with the contractor's first job listing at each employment service delivery system location after the effective date of this final rule. Should any of the information in the disclosures change since it was last reported

to the employment service delivery system location, the contractor shall provide updated information simultaneously with its next job listing. As long as the contractor is contractually bound to these provisions and has so advised the employment service delivery system, there is no need to advise the employment service delivery system of subsequent contracts. The contractor may advise the employment service delivery system when it is no longer bound by this contract clause.

- f. The provisions of paragraphs 2 and 3 of this clause do not apply to the listing of employment openings which occur and are filled outside of the 50 states, the District of Columbia, the Commonwealth of Puerto Rico, Guam, the Virgin Islands, American Samoa, the Commonwealth of the Northern Mariana Islands, Wake Island, and the Trust Territories of the Pacific Islands.
- g. As used in this clause:
 - i. All employment openings includes all positions except executive and senior management, those positions that will be filled from within the contractor's organization, and positions lasting three days or less. This term includes full-time employment, temporary employment of more than three days' duration, and part-time employment.
 - ii. Executive and senior management means: (1) Any employee (a) compensated on a salary basis at a rate of not less than \$455 per week (or \$380 per week, if employed in American Samoa by employers other than the Federal Government), exclusive of board, lodging or other facilities; (b) whose primary duty is management of the enterprise in which the employee is employed or of a customarily recognized department or subdivision thereof; (c) who customarily and regularly directs the work of two or more other employees; and (d) who has the authority to hire or fire other employees or whose suggestions and recommendations as to the hiring, firing, advancement, promotion or any other change of status of other employees are given particular weight; or (2) any employee who owns at least a bona fide 20-percent equity interest in the enterprise in which the employee is employed, regardless of whether the business is a corporate or other type of organization, and who is actively engaged in its management.
 - iii. Positions that will be filled from within the contractor's organization means employment openings for which no consideration will be given to persons outside the contractor's organization (including any affiliates, subsidiaries, and parent companies) and includes any openings which the contractor proposes to fill from regularly established "recall" lists. The exception does not apply to a particular opening once an employer decides to consider applicants outside of his or her own organization.
- h. The contractor shall comply with the rules, regulations, and relevant orders of the Secretary of Labor issued pursuant to the Act.
- i. In the event of the contractor's noncompliance with the requirements of this clause, actions for noncompliance may be taken in accordance with the rules, regulations, and relevant orders of the Secretary of Labor issued pursuant to the Act.
- j. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices in a form to be prescribed by the Director, Office of Federal Contract Compliance Programs, provided by or through the contracting officer. Such notices shall state the rights of applicants and employees as well as the contractor's obligation under the law to take affirmative action to employ and advance in employment qualified employees and applicants who are protected veterans. The contractor must ensure that applicants or employees who are disabled

veterans are provided the notice in a form that is accessible and understandable to the disabled veteran (e.g., providing Braille or large print versions of the notice, posting the notice for visual accessibility to persons in wheelchairs, providing the notice electronically or on computer disc, or other versions). With respect to employees who do not work at a physical location of the contractor, a contractor will satisfy its posting obligations by posting such notices in an electronic format, provided that the contractor provides computers that can access the electronic posting to such employees, or the contractor has actual knowledge that such employees otherwise are able to access the electronically posted notices. Electronic notices for employees must be posted in a conspicuous location and format on the company's intranet or sent by electronic mail to employees. An electronic posting must be used by the contractor to notify job applicants of their rights if the contractor utilizes an electronic application process. Such electronic applicant notice must be conspicuously stored with, or as part of, the electronic application.

- k. The contractor will notify each labor organization or representative of workers with which it has a collective bargaining agreement or other contract understanding that the contractor is bound by the terms of VEVRAA, and is committed to take affirmative action to employ and advance in employment, and shall not discriminate against, protected veterans.
- l. The contractor will include the provisions of this clause in every subcontract or purchase order of \$100,000 or more, unless exempted by the rules, regulations, or orders of the Secretary issued pursuant to VEVRAA so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the Director, Office of Federal Contract Compliance Programs, may direct to enforce such provisions, including action for noncompliance.
- m. The contractor must, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to their protected veteran status.

FAIR LABOR STANDARDS ACT

Contractor must comply the Fair Labor Standards Act of 1938 (29 U.S.C. Section 201 et seq.) as now or hereafter amended, which regulates wage, hour and other employment practices that govern the use of funds provided and the employment of personnel under this contract. The Contractor will pay all its workers all monies earned by its workers including, but not limited to regular wages, any overtime compensation, or any additional payments pursuant to the Fair Labor Standards Act; the Texas Payday Law; the Equal Pay Act; Title VII of the Civil Rights Act of 1964, et al., as amended; or any provisions of the Texas Labor Code Ann., as amended.

OBLIGATION OF THE FEDERAL GOVERNMENT

The Federal Government is not a party to this contract and is not subject to any obligations or liabilities to the non-Federal entity, contractor, or any other party pertaining to any matter resulting from the contract.

LEAD-BASED PAINT (24 CFR 570.608)

Contractor must comply with the provisions found in 24 CFR 570.608, the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821-4846), the Residential Lead Based Paint Hazard Reduction Act of 1992 (42 U.S.C.4851-4856, and 24 CFR Part 35, subparts A, B, J, K, and R. This provision is to be included in all subcontracts, for work in connection with this Contract, which relate to residential structures.

NON-COLLUSION (The Sherman Act)

Contractor must comply with the requirements of The Sherman Act, which prohibit collusion. Collusion occurs when two persons or representatives of an entity or organization make an agreement to deceive or mislead another. Such agreements are usually secretive and involve fraud or gaining an unfair advantage over a third party, competitors, consumers or others with whom they are negotiating. The collusion, therefore, makes the bargaining process inherently unfair. Collusion can involve promises of future benefits, price or wage fixing, kickbacks, or misrepresenting the independence of the relationship between the colluding parties.

The Sherman Act prohibits any agreement among competitors to fix prices, rig bids, or engage in other anticompetitive activity. Collusion, bid rigging, or other anticompetitive activity is considered a felony.

Contractor shall not in any way, directly or indirectly:

- a. Collude, conspire, or agree with any other person, firm, corporation, Offeror or potential Offeror to the amount of this Offer or the terms or conditions of this Offer.
- b. Pay or agree to pay any other person, firm, corporation Offeror or potential Offeror any money or anything of value in return for assistance in procuring or attempting to procure a contract or in return for establishing the prices in the attached Offer or the Offer of any other Offeror.
- c. Assemble in coordination with any other organization in an attempt to fix the price of the work.

CRITICAL ELEMENTS

The Critical Elements serve as the twelve research-based standards defining the Healthy Families America® Model. Submission of a completed HFA Affiliation packet indicates a commitment to the policies, procedures, and practices within each Critical Element.

Critical Element #1:

Initiate services early, ideally during pregnancy.

Critical Element #2:

Sites use the validated Family Resilience and Opportunities for Growth (FROG) Scale to identify family strengths and concerns at the start of services.

Critical Element #3:

Offer services voluntarily and use personalized, family-centered outreach efforts to build trust with families.

Critical Element #4:

Offer services intensely and over the long-term with well-defined progress criteria and a process for increasing or decreasing intensity of service.

Critical Element #5:

Staff celebrate diversity and honor the dignity of families and colleagues by education and encouraging self and others, continuously striving to improve relationships. Sites work with others in their organization and community to identify and address existing barriers and increase access to services, especially for underrepresented groups in the community, confronting disparities caused by institutional racism and discrimination.

Critical Element #6:

Services focus on supporting the parent(s), as well as the child by cultivating the growth of nurturing, responsive parent-child relationships and promoting healthy childhood growth and development within a caring community.

Critical Element #7:

At a minimum, all families are linked to a medical provider to assure optimal health and development. Depending on the family's needs, they may also be linked to additional services related to finances, food, housing assistance, school readiness, child care, job training, family support, substance abuse treatment, mental health treatment, and domestic violence resources.

Critical Element #8

Services are provided by staff in accordance with principles of ethical practice and with limited caseloads to ensure that Family Support Specialists have an adequate amount of time to spend with each family to meet their unique and varying needs and to plan for future activities.

Critical Element #9:

Service providers should be selected because of their personal characteristics, their lived expertise and knowledge of the community they serve, their ability to work with culturally diverse individuals and skills to do the job.

Critical Elements #10 & 11:

Service providers receive intensive training specific to their role to understand the key components of family assessment, home visiting, and supervision. All direct service staff and their supervisors receive basic training in areas such as prenatal and infant care, child safety and development, family health, parent-child relationships, family goal setting, reporting child abuse, managing crisis situations, responding to mental health, substance use, or intimate partner violence issues. All staff including program managers, receive training on topics related to diversity and equity.

Critical Element #12:

Service providers receive ongoing, reflective supervision so they are able to develop realistic and effective plans to empower families.
