

INTERLOCAL MOWING REIMBURSEMENT AGREEMENT

THE STATE OF TEXAS §
 §
 COUNTY OF HARRIS §

THIS AGREEMENT is made and entered into pursuant to the Interlocal Cooperation Act, Tex. Govt. Code Ann., Ch. 791, as amended, and executed by and between the **Harris County Flood Control District**, a body corporate and politic under the laws of the State of Texas, hereinafter called "HCFCD," or the "District," and **Harris County Municipal Utility District No. 412**, a conservation and reclamation district created and operating under the provisions of Article XVI, Section 59, of the Constitution of Texas, and Chapters 49 and 54 of the Texas Water Code, hereinafter called "MUD."

WITNESSETH, that

WHEREAS, the District owns or has accepted drainage property rights on a flood control channel known as HCFCD Unit G103-55-00, hereinafter the "Unit"; and

WHEREAS, the District performs certain maintenance services, including mowing services, on drainage and flood control channels located within, adjacent to, and downstream of the boundaries of the MUD; and

WHEREAS, the MUD desires to perform certain of said maintenance services, namely, mowing and related services, in the District's stead and upon the terms and conditions hereinafter stated; and

WHEREAS, the District is willing to pay the MUD for performing such services.

NOW, THEREFORE, in consideration of the mutual covenants, agreements, and benefits to the parties herein named, the parties agree as follows:

Section 1

The MUD shall perform maintenance services on the following HCFCD Unit located within, adjacent to, or downstream of the MUD boundary, comprising 9.08 acres as shown in Exhibit "A" and the District will pay for the MUD services as listed in Exhibit "B," both exhibits attached hereto:

The District mowing season begins on May 1 and ends on November 30 of each year, and consists of three (3) mowing cycles. The term of this Agreement shall be five (5) District mowing seasons, consisting of fifteen (15) mowing cycles, as shown below, unless earlier terminated pursuant to Section 11 of this Agreement or modified pursuant to Section 3 of this Agreement. If the first mowing season begins before this Agreement is fully executed, the number of mowing cycles eligible for reimbursement during that season will be reduced to the number of cycles remaining in which mowing services were actually performed. The District will pay the MUD for performing maintenance and mowing services on the designated Unit one (1) time per mowing cycle during the term of this Agreement, as provided hereunder in Section 10.

The District mowing seasons for the term of this Agreement shall be:

The maintenance and mowing services to be performed by the MUD shall consist of mowing or cutting the grass of the berms and slopes along the channels delineated in Section 1 between the channel right-of-way boundaries at such intervals to prevent the grass from attaining a height in excess of twenty-four (24) inches. The MUD shall perform such other maintenance as it, in its sole discretion, deems reasonably necessary to provide for an attractive appearance of the channels, at no additional cost to the District. The MUD will not engage in herbicide operations or remove trees without authorization from the District's Executive Director. The District may continue to mow, provide herbicide application and maintenance services at its discretion, but shall not be obligated to do such. The District will inspect the Unit during each mowing cycle to make sure the Unit are being maintained according to this Agreement. If the District discovers during said inspection that grass on any part of the Unit has attained a height in excess of twenty-four (24) inches, as determined in the District's sole discretion, the District will mow the Unit and the MUD will not be reimbursed for its mowing or maintenance services performed during that mowing cycle.

Section 3

Should the District have need, the mowing cycles may be adjusted. In such instances, the MUD will not be reimbursed for the mowing or maintenance services performed during any removed cycles. In such instance, the District will provide the MUD thirty (30) days written notice of such change. Further, should the District remove a mowing cycle, the MUD will not be penalized should the grass on the Unit attain a height in excess of twenty-four (24) inches during the removed cycle.

Section 4

All or a portion of the mowing services will be completed on the District land or right-of-way. The District authorizes the MUD to enter upon its land and has no objection to it entering upon its right-of-way for the limited purpose of performing the mowing and maintenance services, subject to the District's rights thereto. The MUD's authority to enter upon the right-of-way is expressly limited to the purposes set forth herein; is subject at all times to the District's right to enter upon and use its land or right-of-way for flood control purposes, as is more fully provided in Section 9 hereof; and is expressly limited to the extent of the District's right, title, or interest, if any, in and to the land or right-of-way used by the MUD, and the District makes no representation or warranty regarding its right, title, or interest, if any, in and to the land or right-of-way used by the MUD for performing the mowing and maintenance services.

Section 5

The MUD shall provide or contract for all labor, equipment, fuel, and supplies necessary to perform the mowing delineated in Section 2. above. The MUD shall provide the District a written mowing schedule to be performed by the MUD's mowing contractor including the names and telephone numbers of the MUD's mowing contractor and the contractor's contact person within thirty (30) days of the date of execution of this Agreement as notification and commencement of work to be completed. **It is understood and agreed between the parties, such understanding and agreement being of the absolute essence of this Agreement, that the District shall have no obligation to pay any compensation to the MUD, unless the MUD has submitted the mowing schedule and contact information of the MUD's mowing contractor.**

Section 6

It is understood and agreed that the District's personnel shall not be considered employees, agents, partners, joint venturers, ostensible or apparent agents, servants or borrowed servants of the MUD. It is also understood and agreed that the MUD and the MU's personnel shall not be considered employees, agents, partners, joint venturers, ostensible or apparent agents, servants, or borrowed servants of the District.

Section 7

The MUD will cause to be inserted in the MUD's contractor's contract for mowing and maintenance the statement attached hereto as Exhibit "C," providing that the contractor will save and hold harmless the MUD and the District and all their representatives from all suits, actions, or claims of any character brought on account of any injuries or damages sustained by any person or property in consequence of any neglect in safeguarding the work or through the use of unacceptable materials in the mowing and maintenance of the District land or right-of-way or any associated improvements, or on account of any act of omission by the contractor, provided, however, that the liability of the contractor under such indemnification shall not exceed \$400,000.00 per occurrence.

The MUD shall further require that the MUD's contractor's insurance policies name the District as an additional insured. Such insurance policies shall include not less than the minimum coverages as stated in the current "Harris County General Conditions for Roads, Bridges and Related Work."

The MUD shall deliver the contractor's save and hold harmless statement and the contractor's insurance policies to the District within thirty (30) days of the date of execution of this Agreement or the District will not be obligated to pay the MUD for services performed under this Agreement.

Section 8

THE MUD COVENANTS NOT TO SUE AND AGREES TO RELEASE THE DISTRICT FROM AND AGAINST ANY AND ALL LOSSES, LIABILITIES, CLAIMS, DEMANDS, FINES, COSTS, AND CAUSES OF ACTION OF EVERY KIND AND CHARACTER ON ACCOUNT OF PERSONAL INJURIES, ILLNESS, OR DEATH OF PERSON(S), OR DAMAGE TO OR LOSS OF PROPERTY INCURRED BY THE MUD, ITS EMPLOYEES, AGENTS, LICENSEES, INVITEES, REPRESENTATIVES, CONTRACTORS, OR SUBCONTRACTORS, IN PERFORMING THE ACTIVITIES PERMITTED BY THIS AGREEMENT, OR ARISING FROM OR INCIDENT TO ANY DEFECT IN OR CONDITION OF ANY PROPERTY, FACILITIES, EQUIPMENT, TOOLS, OR OTHER ITEMS PROVIDED BY THE DISTRICT WHETHER OR NOT SUCH DEFECT OR CONDITION IS KNOWN OR SHOULD HAVE BEEN KNOWN TO THE DISTRICT, ITS EXECUTIVE DIRECTOR, OFFICIALS, AGENTS, SERVANTS, EMPLOYEES, REPRESENTATIVES, LICENSEES, INVITEES, CONTRACTORS, OR SUBCONTRACTORS.

THE MUD AGREES NOT TO IMPEAD OR BRING ANY ACTION AGAINST THE DISTRICT, ITS EXECUTIVE DIRECTOR, OFFICIALS, AGENTS, SERVANTS, EMPLOYEES, REPRESENTATIVES, LICENSEES, INVITEES, CONTRACTORS, OR SUBCONTRACTORS BASED ON ANY CLAIM BY ANY PERSON FOR PERSONAL INJURY, DEATH, OR PROPERTY LOSS THAT OCCURS IN THE COURSE OR SCOPE OF EMPLOYMENT OF SUCH PERSON BY THE MUD AND THAT ARISES OUT OF ACTIVITIES PERMITTED UNDER THIS AGREEMENT.

Section 9

The MUD agrees that the District at all times retains the right to demand immediate removal of any and all equipment, personal property, and personnel from the drainage and flood control channels, or to take such steps as may be necessary to remove the same. The District assumes no responsibility for the wellbeing or disposition of any items of equipment or personal property removed hereunder. Furthermore, the District reserves the right to, at any time, enter upon and use the subject property for flood control purposes and to take such actions with respect to such property or any personal property located thereon as, in its Executive Director's sole discretion, may be desirable for flood control purposes, and the MUD shall have no claim for damages of any character on account thereof against the District, its Executive Director, agents, representatives, employees, or other contractors.

Section 10

For and in consideration of the services to be performed by the MUD under this Agreement and subject to compliance with the provisions herein, the District may pay the MUD based upon acreage of 9.08 acres and the District's average contract mowing cost of \$113.00 per acre per mowing cycle, or the amount stated on the invoice provided to HCFCD, whichever amount is less. One (1) invoice per mowing season shall be submitted to the District on or before December 31st of each calendar year during the term of this Agreement. Subject to the certification of funds by the Harris County Auditor and the issuance of a purchase order by the Harris County Purchasing Agent, the HCFCD will pay the MUD at the end of each mowing season within sixty (60) days of receiving a completed invoice, blank version attached hereto as Exhibit "D," with contractor's dated invoices for each mowing cycle showing services rendered attached thereto. Under no circumstances will the HCFCD pay an invoice submitted after December 31st of the calendar year in which the mowing services were rendered.

The HCFCD shall only pay invoices submitted for services performed within the designated HCFCD mowing cycles described in Section 2. The HCFCD shall not pay for mowing the Unit more than one (1) time per mowing cycle or three (3) times each mowing

season, nor for invoices submitted for a mowing cycle during which the HCFCD mowed the Unit under the conditions described in Section 2 or removed the mowing cycle under Section 3.

Notwithstanding anything contained herein that may be construed to the contrary, while actual payment may be less according to the terms and provisions of this Agreement, the MUD has been advised by the District, and the MUD clearly understands and agrees, such understanding and agreement being of the absolute essence to this Agreement, that the District has available the maximum sum of \$3,078.12 each year specifically allocated to fully discharge any and all liabilities that may be incurred by the District pursuant to the terms of this Agreement, and that the maximum compensation the MUD may become entitled to hereunder and the maximum sum the District shall become liable to pay to the MUD hereunder, shall not under any conditions, circumstances, or interpretations hereof exceed the said maximum sum provided for in this Section and certified as available therefor by the County Auditor and evidenced by the issuance of a purchase order from the Harris County purchasing agent, except to the extent that additional funds are certified as available in accordance with purchase orders issued as described above. The total amount of funds which can be certified without amendment to this Agreement for the five years of this Agreement shall not exceed \$15,390.60.

All parties shall comply with all applicable bidding laws.

Section 11

Either party may terminate this Agreement, without cause, by giving thirty (30) days written notice to the other party. In the event of termination before completion of performance hereunder, the HCFCD shall pay the MUD pro rata for the services performed to the date of termination at the rate of One Hundred Thirteen and No/100 Dollars (\$113.00) per acre per mowing cycle, but in no event shall the amount paid by HCFCD to the MUD hereunder exceed the sum certified as available by the County Auditor.
