Re: Home Grown Homeschoolers Inc.

Dear Court Members:

We respectfully submit a request to hold a fund-raising Community "Yard" sale on Friday, May 26, 2023, from 11 a.m. to 5 p.m. at the Richard and Meg Weekly Community Center in Cypress, Tx. in the parking lot.

Proceeds will benefit Home Grown Homeschoolers Inc to continue providing supplies, field trips, events and currently support for our teens as they travel internationally to Costa Rica in November 2023.

Home Grown Homeschoolers Inc is a non-profit 501(c)(3) organization that was established to inspire lifelong learning and friendship in a parent led and committed environment. This is done through support, encouragement, and resources alongside a weekly co-op, weekly field trips, events, and travel in a fun, accepting and safe space.

Your consideration and approval of this request will be greatly appreciated and we thank you in advance.

Sincerely,

TRALANDRA STEWART
