AGENDA LETTER

Please consider the following item on the Commissioners Court Agenda for April 27, 2021:

On March 30, 2021, Commissioners Court directed the Harris County Community Services Department to further develop housing repair programs that addressed Storm Uri damage experienced by homeowners and by renters. Pursuant to that request, transmitted herewith for the Court's consideration are four proposed programs designed to address housing damage caused by highly impactful weather events, and specifically, the Winter Storm Uri event.

Thank you for your assistance with this request.

A handwritten signature in black ink that reads "Adrienne M. Holloway".
