A failure by the Subrecipient to abide by such provisions of this Agreement shall constitute a breach of this Agreement.

B. Project Requirements

The Subrecipient shall be responsible for administering a Funding Source in a manner satisfactory to HCCSD and consistent with any standards required as a condition of providing these funds. This Agreement may provide only partial funding for this Program. The Subrecipient qualifies for the receipt and expenditure of such funding because the individuals served are homeless.

This paragraph is only effective if at least one of the Funding Sources is ESG.

The Subrecipient certifies and agrees that the activities carried out with funds provided under this Agreement shall meet one or more of the purposes of the ESG program, which include the following: (1) providing the costs of certain expenses related to operating emergency shelters; (2) providing certain essential services to homeless individuals; (3) providing rapid re-housing assistance to homeless individuals. This paragraph is only effective if at least one of the Funding Sources is ESG.

The Subrecipient agrees to implement the following in accordance with 24 CFR 576.106: The Subrecipient may provide medium-term rental assistance for more than 3 months of rent but not more than 12 months of rent during any 3-year period. This allows for more households to receive rental assistance, which is necessary to prevent, prepare for, and respond to coronavirus. Payment of rental arrears consists for up to 6 months of rent in arrears, including any late fees on those arrears. Rental assistance cannot be provided to a program participant who is receiving tenant-based rental assistance, or living in a housing unit receiving project based rental assistance or operating assistance, through other public sources. Rent amount must comply with HUD standards of rent reasonableness, as established under 24 CFR 982.507. Program participants receiving rental assistance must have a legally binding, written lease for the rental unit, unless the assistance is solely for rental arrears.

2. Confidentiality

This paragraph is only effective if at least one of the Funding Sources is ESG.

The Subrecipient must develop and implement written procedures to ensure the security and confidentiality of all records containing personally identifying information of any individual or family who applies for and/or receives Emergency Solutions Grant (ESG) assistance in accordance with 24 CFR 576.500. The address or location of any housing of a program participant shall not be made public, except as provided under a preexisting privacy policy of the Recipient or Subrecipient and consistent with state and local laws regarding privacy and obligations of confidentiality.

3. Termination of Housing Assistance

The Subrecipient may terminate assistance to a participant who violates the Program requirements in accordance with 24 CFR 576.402. The Subrecipient must exercise judgment and examine all extenuating circumstances in determining when violations are serious enough to warrant termination, so that a participant's assistance is terminated only in the most severe cases. Subrecipient may resume assistance to a participant whose assistance was previously terminated. In terminating assistance to a participant, the Subrecipient must provide a formal process that recognizes the rights of individuals receiving assistance to due process of law. This process, at a minimum, must consist of:

- (i) Written notice to the participant containing a clear statement of the reasons for termination and provide a 30 day notice;
- (ii) A review of the decision in which the participant is given the opportunity to present written or oral objections before a person other than the person (or a subordinate of that person) who made or approved the termination decision; and
- (iii) Prompt written notice of the final decision to the participant.

5. Rent Reasonableness

Housing that is assisted with Funding Source funds must be in compliance with HUD's standard of rent reasonableness in accordance with 24 CFR 576.106(d).

6. Homeless Management Information System (HMIS)

ESG Subrecipients must report client-level data, such as the number of persons served and their demographic information, in a Homeless Management Information System (HMIS) in accordance with 24 CFR 576.400(f). Victim service providers or a legal services provider may use a comparable database that collects client-level data over time (i.e., longitudinal data) and generates unduplicated aggregate reports based on the data. Information entered into a comparable database must not be entered directly into or provided to an HMIS.

7. Lead-Based Paint

The Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821 et seq.), as amended by the Residential Lead-Based Paint Hazard Reduction Act of 1992 (42 U.S.C. 4851 et seq.) and implementing regulations at 24 CFR part 35, subparts, A, B, H, J, K M, and R shall apply to all shelters assisted under Funding Source program and all housing occupied by program participants.

C. Performance Monitoring

The Subrecipient shall be cooperative with Program and Financial monitoring visits and/or investigations performed by the HCCSD staff, the Harris County Auditor's staff, and/or the U.S. Department of Housing and Urban Development (HUD). Substandard performance as determined by the Grantee and/or HUD will constitute non-compliance or breach of this Agreement. The Subrecipient's failure to correct substandard performance within a reasonable period of time after being notified by the Grantee will result in further corrective action by the Grantee including, but not limited to, termination of this Agreement, pursuant to 24 CFR 200.338. The Subrecipient also agrees to be cooperative with monitoring and/or investigations performed by HUD and comply with their findings.

D. Participation of Homeless Individuals

This paragraph is only effective if at least one of the Funding Sources is ESG. The Subrecipient must comply with the requirements of 24 CFR Part 576.405, in which the Subrecipient must provide for the participation of not less than one homeless individual or formerly homeless individual on the board of the directors or other equivalent policy-making entity of the Subrecipient.

III. TIME OF PERFORMANCE

Services of the Subrecipient shall start on March 1st, 2021, and end on February 28th, 2022.

IV. EXPENSES AND PAYMENT

A. Budget

The Subrecipient shall perform its services within the monetary limits contained in **Exhibit B** (Budget). The Subrecipient understands that the budget constitutes a summary unit cost budget based upon detailed information submitted by the Subrecipient to the Grantee during the Request for Proposal (RFP) process, and any changes to the budget summary, attached at **Exhibit B**, will require the Subrecipient to submit a modified detailed line item budget to the Grantee for approval.

B. Requesting a Budget Revision

Any proposed reallocation of funds among various budget line items constitutes a budget revision. The Subrecipient shall provide narrative justification for budget revision on letterhead and signed by the representatives, as stated in **Exhibit A**. A budget revision is not approved for expenditure until the Subrecipient receives written approval from the Director of HCCSD, or his designee. Upon approval, the Subrecipient shall provide a revised budget to the Grantee. At the discretion of HCCSD management, no more than two (2) budget revision requests shall be allowed each year, to be submitted no later than ninety (90) days before the end of the Agreement period, as defined in Section III of this Agreement.

New line items or an increase or decrease in funds is a budget amendment and must be formally approved by the Grantee.

C. Maximum Amount to be Paid

Reimbursement will be the lower of the calculated unit cost recovery or actual cost of eligible expenditure line-items as approved. It is expressly agreed and understood that the total amount to be paid by the Grantee under this Agreement shall not exceed the amount shown in **Exhibit B**, in the section entitled "Maximum Amount to be Paid Under this Agreement."

The Subrecipient shall expend awarded funds in a consistent and timely manner. The Grantee reserves the right to reduce any or all of the awarded funds due to untimely expenditure of said funds or Agreement non-compliance.

D. Payment Contingent on Receipt of Funds from HUD

It is expressly understood that the Grantee has no County funds for the payment of services to be rendered under this Agreement, and the Grantee's payment obligation under this Agreement is contingent upon receipt of funds from HUD, by virtue of the above mentioned grant(s). Accordingly, notwithstanding anything herein to the contrary, the maximum liability of the Grantee under this Agreement shall not exceed the amount shown in **Exhibit B**, in the section entitled "Maximum Amount to be Paid under this Agreement," or the amount actually received by the Grantee from HUD pursuant to the grant, whichever is less, and the Subrecipient, by execution of this Agreement, acknowledges its understanding of this fact.

E. Payment for Eligible Expenses

The Subrecipient understands and agrees that the Grantee shall reimburse the Subrecipient for only those costs that are eligible under applicable Federal rules, regulations, cost principles, and other requirements relating to reimbursement with HUD grant funds. The Grantee may reimburse the Subrecipient for the total costs, plus a fraction of the overhead costs, of those items that serve only clients from the Grantee service area, provided that all reimbursements shall be limited to the actual out-of-pocket expenses incurred by the Subrecipient in the performance of this Agreement, with the exception of certain advances. No reimbursement shall be made for goods or services received by the Subrecipient as in-kind contributions from third parties for assistance to the Program. If indirect costs are charged, the Subrecipient confirms it has developed an indirect cost allocation plan and such has been approved by the appropriate cognizant agency. Further, those cost to be reimbursed and defined as follow:

- i. **Direct Costs** – HCCSD will reimburse Subrecipient for all “direct costs” as defined in Appendix A of 2 CFR Part 230, and limited to those costs described by Part IV Section A of this Agreement and Exhibit B (Budget) and those items detailed by the Subrecipient to the Grantee during the RFP process.
- ii. **Indirect Costs** – HCCSD will reimburse Subrecipient for indirect costs (IDC) at a rate as defined and approved by a cognizant agency. IDC shall be consistent with those defined in Appendix A of 2 CFR Part 230. The IDC rate shall be no greater than the “final” or the “provisional” IDC approved rate supplied by the Subrecipient, for the effective periods covered and “applicable programs”. Reimbursement for IDC is subject to any subsequent adjustment of the provisional rate during the term of this Agreement. Subrecipient agrees to provide HCCSD with any notices of changes to the “rate agreement” within 30 days of such changes and provide a documentation of the IDC in effect and a final accounting recognizing any adjustments upon submission of the Subrecipient final reimbursement claim submitted under this Agreement.

F. Payment Procedures

The Grantee will reimburse the Subrecipient based upon information submitted by the Subrecipient and consistent with any approved budget and Grantee policy concerning payment. Drawdown for the payment of eligible expenses and general administration shall be made against the budget, attached hereto as **Exhibit B**, and in accordance with performance. Reimbursement requests must include an invoice with required source documentation on a form approved by the Grantee and submitted on or before the 15th working day of the month for costs incurred during the preceding month. Prior to payment, the Grantee and the Harris County Auditor must approve all invoices. Incorrect reimbursement request may be returned to the Subrecipient for correction and resubmission.

Payments will be adjusted in accordance with advance fund and Program income balances available in the Subrecipient accounts. In addition, the Grantee reserves the right to liquidate funds available under this Agreement for costs incurred by the Grantee on behalf

of the Subrecipient.

Final reimbursement requests for the Subrecipient shall be received by the Grantee no later than thirty (30) days after completion of the Agreement period. Any requests received after thirty (30) days will not be processed for payment and this Agreement will become void and the remaining funds de-obligated. All unexpended Funding Source funds by the Subrecipient will be de-obligated and recaptured by the Grantee.

G. Expenditure Performance

The Subrecipient shall immediately notify the Director of HCCSD, or his designee, of any problems, delays or adverse conditions that will affect the ability of the Subrecipient to perform its obligations under this Agreement. Any such notice shall include a statement of actions taken or contemplated to be taken by the Subrecipient to resolve such problems, delays or adverse conditions. The Subrecipient shall also promptly notify the Director of HCCSD, or his designee, if it anticipates accomplishing the services set forth in this Agreement with a lower expenditure of funds than the amount allocated, or within a shorter period of time than the Agreement period.

The Subrecipient further understands and agrees that should the Grantee determine that the Subrecipient will not use all of the funds allocated to the Subrecipient under this Agreement, then Grantee shall reduce the amount allocated to the Subrecipient under this Agreement for the purpose of ensuring that such funds do not remain unspent, and that such monies are promptly reallocated to other service providers in accordance with the Grantee's procurement procedures. The Grantee will notify the Subrecipient in writing of its determination to reduce the amount allocated to the Subrecipient under this Agreement and any such determination by the Grantee shall be final.

H. Supplementing a Request for Payment

A Supplemental Request amending a payment or reimbursement request may be filed with the Grantee **must be submitted within 30 days** after the submission or receipt of the original request. Any Supplemental Request for payment or reimbursement after the date of submission or receipt of the original request will be subject to approval by the Grantee. No more than one Supplemental Request shall be allowed per month.

I. Program Income

This paragraph is only effective if at least one of the Funding Sources is CDBG. The Subrecipient shall report all Program income, as defined at 24 CFR 570.500(a), generated by activities carried out with CDBG funds made available under this Agreement. The use of Program income by the Subrecipient shall comply with the requirements set forth at 24 CFR 570.504. By way of further limitations, the Subrecipient may use such income during the Agreement period for activities permitted under this Agreement and shall reduce requests for additional funds by the amount of any such Program income balances on hand. All unused Program income shall be returned to the Grantee at the end of the Agreement period. Any interest earned on cash advances from the U.S. Treasury is not Program income and shall be remitted promptly to the Grantee.

J. Withholding Payments

If HUD initiates an investigation into any matter covered under this Agreement, the Grantee may withhold all payments until the results of the investigation have been revealed. Reimbursement to the Subrecipient will be determined upon resolution of the investigation by HUD.

K. Repayment of Ineligible Payments

IN THE EVENT HUD DETERMINES THROUGH INVESTIGATIONS AND/OR MONITORING THAT ANY GRANTEE PAYMENT OR REIMBURSEMENT TO THE SUBRECIPIENT IS INELIGIBLE OR DISALLOWED, THE SUBRECIPIENT SHALL IMMEDIATELY AND WITHOUT DELAY FULLY REIMBURSE THE GRANTEE, AND THE GRANTEE WILL REIMBURSE HUD FOR DISALLOWED OR INELIGIBLE COSTS. IF HUD INFORMS THE GRANTEE THAT IT IS REQUIRED TO REFUND MONEYS PREVIOUSLY AWARDED OR DRAWN DOWN FROM THE U.S. TREASURY IN REFERENCE TO THIS AGREEMENT, THE SUBRECIPIENT AGREES TO PAY AN EQUAL AMOUNT TO THE GRANTEE PRIOR TO THE DEMAND DATE OF PAYBACK.

The Way Home Community-Wide COVID-19 Housing Program Policies and Procedures

The Way Home

Community-wide COVID-19 Housing Program **Policies & Procedures**

Introduction: On March 27, 2020, the President signed the Coronavirus Aid, Relief, & Economic Security (CARES) Act to help communities respond to the COVID-19 pandemic. CARES included funding to add capacity to the U.S. Department of Housing & Urban Development (HUD)'s Emergency Solutions & Community Development Block Grants. As the COVID-19 virus pandemic continues to grow, state and local public response systems are implementing a number of public health strategies to prevent further exposures and slow the spread of the virus. People experiencing homelessness are an especially high-risk population for COVID-19 and infections among that population present specific challenges due to a combination of factors, including but not limited to: having overall poorer health than the general population, living in congregate settings, being an aging population, and having limited ability to follow public health advice and access health care. As communities around the state of Texas work to prevent the spread of COVID-19, special attention is needed to protect people experiencing homelessness – who are particularly vulnerable to the spread of the virus and are at high-risk for experiencing severe symptoms.

The Coalition for the Homeless, in partnership with direct service agencies, coordinates the housing response for The Way Home Continuum of Care. Due to the urgency of the COVID crisis and the imminent threat to the public health and safety to the homeless population, the Coalition recommends a coordinated and large-scale community homeless housing initiative. Per the CDC and HUD, special, strategic endeavors are required to protect people experiencing homelessness – who are particularly vulnerable to the spread of the virus and are at high-risk for experiencing severe symptoms. Housing individuals currently living on our streets and in our shelters the best and recommended intervention to help prevent the spread of COVID-19 amongst this highly susceptible population. This Community-wide COVID-19 Housing Program (CCHP) will do this in several ways:

1. **Bridge to PSH:** Rapid Re-Housing (RRH) “bridge” to permanent supportive housing (PSH) intervention. PSH is an intervention that combines affordable housing assistance with voluntary support services to address the needs of chronically homeless people and other homeless individuals with high barriers. The services are designed to build independent living and tenancy skills and connect people with community-based health care, treatment and employment services (see Addendum I).
2. **RRH:** RRH provides short-term, up to 12 months, rental assistance and services. The goals are to help those experiencing literal homelessness obtain housing quickly, increase self-sufficiency, and stay housed. It is offered without preconditions (such as employment, income, absence of criminal record, or sobriety) with the resources and services provided typically tailored to the needs of the person (see Addendum II)
3. **Diversions:** Housing-focused problem-solving conversations paired with limited financial assistance offered to persons seeking emergency shelter or residing in emergency shelters. Selected Diversion providers will assist City, County and CFTH partners in creating and scaling this homeless emergency shelter diversion intervention (see Addendum III).

Financial Assistance

Financial Assistance Intermediary Role – HOME RRH

The Financial Assistance Intermediary will be filled by the Houston Housing Authority (HHA). HHA is responsible for the management, distribution and reporting for all financial assistance available for RRH through City HOME TBRA funding only. Further descriptions of the Financial Assistance Fiscal Agent responsibilities are included below.

1. The Financial Assistance Intermediary (FAI) will manage & track HOME TBRA funding.
2. The FAI will staff the CCHP rapid re-housing program with skills that can support the information technology infrastructure, conduct rent reasonableness and housing quality standards inspections, interface with landlords and process payments, maintain effective communication with the case management providers, maintain effective communication, conduct and maintain quality data entry. Staffing can be through the FAI or through subcontracts with other qualified agencies that meet the fiscal and reporting responsibilities described herein.

Financial Assistance – ESG or CDBG

Financial assistance provided using the ESG or CDBG funding streams will be provided by agencies funded for this intervention. These agencies will be responsible for the management, distribution and reporting for all financial assistance available for CCHP through these funding streams. Further descriptions of the Financial Assistance Fiscal Agent responsibilities are included below.

1. Financial assistance agencies will manage & track rental assistance funding.
2. These agencies will staff the CCHP financial assistance with skills that can support the information technology infrastructure, conduct rent reasonableness and housing quality standards inspections, interface with landlords and process payments, maintain effective communication with the case management providers, maintain effective communication, conduct and maintain quality data entry.

Referrals into the Program

Coordinated Access Assessment:

The Coordinated Access Assessment System (CAS) will be the sole source of placement into the CCHP. Homeless individuals & families will be assessed at CA Assessment Hubs located throughout the Continuum of Care (CoC) and through a designated CA Intake Line.

Eligibility for one of the CCHP interventions is determined by a trained CA Assessor. This assessor will use the guidance established with local and federal funding streams to ensure eligibility for assistance based on regulatory requirements including homeless status and household composition. Referrals for assistance is done only through the CAS using the CoC's Housing Prioritization Tool. Any agency providing CCHP assistance must accept referrals through the CAS. Intervention eligibility is as follows:

- Permanent Supportive Housing – Individuals or families & individuals 65+ that are experiencing chronic homelessness as defined by HUD and score 28 or higher on the CoC's Housing Prioritization Tool.
- Rapid Re-Housing – individuals and families that are literally homeless as defined by HUD, have become homeless or lost income due to COVID-19, and score between 10-17 on the CoC's Housing Prioritization Tool.
- Diversion – individuals and families that are seeking emergency shelter at a shelter partner.

Housing

Housing Quality Standards and Inspections

All units that receive assistance must meet the applicable Housing Quality Standards (HQS).

- No unit will be initially placed under contract until/unless the standards are met. Units must also continue to meet HQS as long as the household continues to receive housing assistance in the assisted unit. HQS takes precedence over local housing codes and other codes.
- The household must allow the FAI and the owner to inspect the unit at reasonable times with reasonable notice and grant access to the unit in emergencies. Failure to allow access for inspection or an emergency is a violation of the family obligations and grounds for termination from the program.
- HQS dictates that, at a minimum, the unit must have a living room, a kitchen, and a bathroom. The dwelling unit must have at least one bedroom or living/sleeping room for each two persons. The bathroom must be contained within the unit, afford privacy, and be for the exclusive use of the occupants.
- Additionally, the unit must have suitable space and equipment to store, prepare, and serve food in a sanitary manner. This includes a requirement for an oven and stove or range, a refrigerator of appropriate size for the family, and a kitchen sink with hot and cold running water. These rules apply to both single and multi-family dwelling units

Unit Size Subsidy Standards

The following requirements apply when determining the unit size:

- The subsidy standards must provide for the smallest number of bedrooms needed to house a family without overcrowding.
- A child who is temporarily away from the home because of placement in foster care is considered a member of the family in determining the family's unit size, if it can be verified that the child will be returned to the family when suitable housing is available.
- A family that consists solely of a pregnant woman must be treated as a two-person family.
- Any live-in aide must be counted in determining the family unit size.

The general guidelines below are used in determining maximum unit size:

Standards Used	
Unit Size	No. of Persons in Household
0-BR	1
1-BR	1
2-BR	2 or 3
3-BR	4 or 5
4-BR	6 or 7
5-BR	8 or 9
6-BR	10 or 11

Circumstances which might dictate a larger size unit than listed above are:

1. A reasonable accommodation to a person with a disability;
2. An elderly or disabled person who requires a live-in attendant

Fair Housing

The *CCHP* Team takes all necessary steps to ensure that the *CCHP* is administered in accordance with the Fair Housing Act by promoting housing that is accessible to and usable by persons with disabilities. The *CCHP* complies with the non-discrimination requirements of the Fair Housing Act, which prohibits discrimination in all housing transactions on the basis of race, national origin, sex, color, religion, disability status and familial status. This also includes protection from housing discrimination based on source of income. Additional protected classes under state law include sexual orientation (including gender identity), marital status, military discharge status, age (40+). Agencies cannot preference any protected class unless allowed by statute/regulation, or written waiver from their funding or regulatory body (i.e. U.S. Department of Housing and Urban Development).

The *CCHP* may allow filtered searches for subpopulations while preventing discrimination *against* protected classes.

Landlord Incentive Fees: These fees will be paid in advance through the Coalition for the Homeless.

Lease Term:

The head of household will be the tenant on the lease for a term of 12 months. The household will work with case management to determine a housing plan that fits their need at the end of the lease term.

Rental Payments:

The FAI or Financial Assistance Agencies will complete monthly payments to each landlord through the duration of the twelve-month lease term.

CMs will mediate any tenant and landlord disputes that occur to prevent evictions. CMs will meet with households at least once a month to continue services prepare for long-term housing.

Terminations

Households may be exited from CCHP assistance for completion of the program, voluntary exit, or involuntary termination. This section describes when households might be auto exited, or assistance is terminated. All exits and termination will be documented in HMIS and supported by case notes.

- A. Any household may be terminated from CCHP assistance if deemed necessary by a case management vendor and monitored by Lead Agency. Reasons for termination may include but are not limited to:
 - i. Incarceration or institutionalization over 90 days. Case managers in coordination with the financial assistance providers may continue to support households where the head of household receiving assistance is incarcerated or institutionalized for up to 90 days. Any household where the head of household receiving assistance is incarcerated or institutionalized for more than 90 days will be terminated from the program in accordance with 24 CFR 576.500 (b)(2).
 - ii. Clients may be terminated if the case manager is unable to make contact with the household for 60 days. The case is then escalated to the supervisor to attempt contact. If supervisor is unable to establish contact, the case may be presented to the Lead Agency for exit permission. In addition, clients may be terminated if housing is not located within the specified timeframe.
 - iii. Each household enrollment will work towards a positive outcome through housing. If the household is forced to leave the property due to multiple lease violations, non-payment of rent, eviction, or mutual rescission; their case will be staffed with the Lead Agency. If the household has not participated in Case Management services or is not actively working on the goals that they have identified, they may

be staffed for an exit. If the household is engaging in Case Management services, and they would like to remain in the program, the household will be allowed to receive a second housing placement. The household must be approved for the second property within 30 days of being informed that they are eligible for another placement. Barring any significant housing barriers, if approval for a second location is not completed within 30 days, the Case Manager will staff the case with the Lead Agency for an exit or extension of housing search.

- iv. If a second housing placement does not have a positive outcome, the Case Manager will staff the case with the Lead Agency. The Case Manager will work with the household to determine other potential housing options outside of the program as needed.
- B. Households that need to relocate due to family or intimate partner violence will be eligible to relocate regardless of whether they have been relocated a second time.
- C. If a household is given a housing voucher or referred to an alternate housing program at the end of the lease, the household will not be exited until a new lease (with potential subsidy) is in place and they have been connected to the appropriate services to maximize stability and long-term housing.
- D. In the case of termination, the Case Manager must notify the financial assistance provider to immediately stop payment for the unit where a household has been terminated. In the case that the financial assistance provider is notified via the landlord, the provider will notify both the Lead Agency and appropriate case management provider. All terminations must be in accordance with 24 CFR 576.402 and do not preclude a household from receiving future assistance.
