**Request Summary (Agenda Caption):**

Request that the County Judge execute an amendment to an agreement with Ultraviolet Forensics LLC in the additional amount of \$82,500 for federal funding under the American Rescue Plan Act 2021 (ARPA) for medical examiner services for the Institute of Forensic Sciences for the period of April 26, 2023 - April 25, 2024, in connection with a personal services exemption, MWDBE Contracted Goal: N/A - Personal Services Agreement.

**Background and Discussion:**

The Harris County Institute of Forensic Sciences (HCIFS) is experiencing an increased case load this calendar year in addition to an unprecedented attrition of Assistant Medical Examiners. To ensure timely completion of statutorily required autopsies, HCIFS is contracting with Dr. Hannah Bielamowicz (through Ultraviolet Forensics LLC) to provide medical examiner services. Dr. Bielamowicz is an experienced forensic pathologist and has

provided consultation to HCIFS in the past. She is already aware of the Department's needs, standard operating procedures, and accreditation requirements. There is no expectation that she would perform any autopsies that might require future courtroom testimony.

The agreement is being amended to add an additional \$82,500 in ARPA funds to the contract amount.

**Expected Impact:**

Dr. Bielamowicz will assist with caseload reduction by performing assigned autopsies. This will assist with turnaround time of case report completion, assisting with meeting accreditation standards, and providing information to decedent families.

**Alternative Options:**

The alternative is for HCIFS to continue processing cases as soon as possible with current staff leading to staff burnout, further attrition, and longer turnaround times.
