Request Summary (Agenda Caption):

Request by Juvenile Probation for approval to accept from the Texas Juvenile Justice Department and Texas Education Agency combined grant funds in the amount of \$5,752,119, with no required match, and extend associated positions to August 31, 2023 and September 30, 2023 for the Grant Year 2023 JJAEP Education, Campus, and Admin; Excel Academy Charter School; Title I-Part A; Title I-Part D; IDEA-B Formula; and Title II-Part A Improving Teacher Quality programs.

Background and Discussion:

Under the authority of the Harris County Juvenile Board, the Education Services Division provides educational programs for expelled students, delinquent youth placed in county operated juvenile facilities, and students on probation who want an alternative to the traditional high school campus. The Juvenile Probation Department is solely responsible for all programs within the Juvenile Justice Alternative Education Program

and Excel Academy Charter School.

Expected Impact:

These funds allow the department to continue providing educational services to expelled juveniles, juveniles placed in county operated juvenile facilities, and juveniles on probation wanting an alternative to a traditional high school campus into the 2022-2023 year.

Alternative Options:

Without these funds, other funds would have to be used to carry out educational operations.
