Request Summary (Agenda Caption):

Request by the Office of the County Engineer for an Executive Session for discussion and possible action concerning the appointment of Isabel Fung, P.E., PMP, as the alternate representative for Erwin Burden, P.E., on the San Jacinto Regional Flood Planning Committee, representing Counties.

Background and Discussion:

The Texas Water Development Board (TWDB) has created regional flood planning groups to assist in the creation of the first ever statewide flood plan. Alisa Max, P.E. was appointed by the State, with support from Commissioners Court, to serve on the San Jacinto Regional Flood Planning Group (SJRFPG) as a representative for all counties in the region, with Brock Crenek as her alternate. With the vacancies of Alisa and Brock as primary and alternate respectively, Harris County nominated Erwin Burden, P.E. as replacement. Erwin Burden, P.E. has recommended Isabel Fung, P.E., PMP, as his alternate on the planning group. The Office of the County Engineer recommends the appointment of Isabel Fung as alternate to the SJRFPG. Within the Engineering Department, Erwin is the Assistant Director of Recovery and Resiliency,

and Isabel is the Program Manager of Recovery and Resiliency, and both oversee the subdivision drainage program. To learn more about the San Jacinto Regional Flood Planning Program, visit [About SJRFFPG - San Jacinto Regional Flood Planning \(sanjacintofloodplanning.org\) <https://sanjacintofloodplanning.org/about-sjrffpg/>](https://sanjacintofloodplanning.org/about-sjrffpg/)

Expected Impact:

The support of the nomination of Isabel Fung, P.E., PMP, as alternate to this committee, will provide additional credibility to our nominated individual’s application materials for this position.

Alternative Options:

Court may elect to nominate different individuals to serve on the Committee, or Court may choose to terminate Harris County’s participation within the committee.

Alignment with Goal(s):

- Justice and Safety
- Economic Opportunity
- Housing
- Public Health
- Transportation
- Flooding
- Environment
- Governance and Customer Service
