Transmittal by the Office of the Purchasing Agent of a project scheduled for advertisement for blockage removal and floatable collection structure maintenance for the Flood Control District (240079).

**Background and Discussion:**

Pursuant to Tex. Loc. Gov't Code §262.0295(a) and §262.030(d), for any RFP contract submitted and included on this request, submission shall constitute (1) a determination by the Purchasing Agent that it is impractical to prepare detailed specifications for an item to support the award of a purchase contract, and (2) a notification to the commissioner's court of the same. If such letter is returned to Purchasing without alterations by commissioner's court, that (3) shall constitute a finding by commissioner's court that it is impractical to prepare detailed specifications for that item to support the award of a purchase contract, and the Purchasing Agent may use the multistep competitive proposal procedure, or an "RFP" as per Tex. Loc. Gov't Code §262.0295 and §262.030.
