Request Summary (Agenda Caption):

Request for approval to decree that the Harris County Flood Control District project serve a public purpose and public necessity requires that the Harris County Real Property Division be directed to acquire five drainage easement tracts for the public project known as Morningside Place Drainage Project, for the purpose of channel improvements & stormwater detention. (Clear Creek Watershed, Bond ID F-01, Project ID A135-01-00-E001, Precinct 1).

Background and Discussion:

This is a project to alleviate a continued problem of street flooding in the subdivision. A redesign of the street storm sewer system proposed under a current drainage study and the construction of the remedy is the focus of this project. A redesign of the street storm sewer system proposed under a current drainage study.

Expected Impact:

This project seeks to reduce flood risks and strengthen resiliency in Harris County by alleviating property and structural damages to the adjacent community.

Alternative Options:

Taking no action would result in continued flood risk.

Alignment with Goal(s):

- Justice and Safety
- Economic Opportunity
- Housing
- Public Health
- Transportation
- Flooding
- Environment
- Governance and Customer Service
