Request by the Commissioner of Precinct 1 for approval of a resolution recognizing youth activist Olivia Julianna for her fundraising widening access to abortion services, birth control, contraceptives, among other vital reproductive health-care services.

**Background and Discussion:**

Houston-based youth activist Olivia Julianna turned a moment where an anti-abortion United States Congressman from Florida harassed her about her appearance, into an opportunity to raise awareness and funding to support the right to abortion access and reproductive autonomy. Her fearless advocacy and activism around abortion rights and care reflect her commitment to building a more just and equitable society based on the principles of equality, freedom, and democracy.
