Request Summary (Agenda Caption):

Request for approval of a renewal option with O & I Fabrication, Inc. for pipe access gates and related items for Harris County and the Flood Control District for the period of May 1, 2024 - April 30, 2025, at a cost of \$100,000 (210080), Justification for 0% MWDBE Participation Goal: 0% - Non-Divisible.

Background and Discussion:

A need for a reliable source of pipe gates caused the FCD to bid out this contract. We require these gates throughout the FY in all areas of the county. These gates are used to restrict access to buy out lots and other district operations.

Expected Impact:

Renewing this contract will allow FCD to purchase needed pipe gates for buy-out lots and other areas of the County that restricted access is required.
