Request Summary (Agenda Caption):

Request for approval to amend a purchase order in the amount of \$60,240.00 with TGI Geotechnics, Inc. for Professional Engineering Services for Construction Materials Testing to construct Eastex Freeway Forest Subdivision Sec. 3 and 4 Drainage Improvements, UPIN 20090MF1HE01 - Precinct 2, MWDBE Contracted Goal 0% (Non-Divisible).

Background and Discussion:

Construction of underground utilities and ditches in the Eastex Freeway Forest Subdivision Sec. 3 and 4.

Expected Impact:

Constructing underground utilities and drainage ditches will improve drainage, thereby improving mobility and safety for all road users and flood resiliency for all adjacent properties. This agreement will allow the firm to

conduct field and laboratory testing on soil, concrete, asphalt and various other construction materials. This testing will ensure the material’s compliance with Harris County Engineering and other governing bodies specifications as required by state law.

Alternative Options:

Construction materials testing is required by state law. Thus, alternatives include executing an agreement for similar services to a different vendor or cancelling this construction project.

Alignment with Goal(s):

- Justice and Safety
- Economic Opportunity
- Housing
- Public Health
- Transportation
- Flooding
- Environment
- Governance and Customer Service
