Transmittal by the Office of the County Engineer of a substantial completion certificate with Specialty Construction TX, LLC, for Meadow Lake Tract A Subdivision Drainage Improvements - 2018, UPIN 19101MF15N01, Precinct 1.

**Background and Discussion:**

The Substantial Completion Certificate provides documentation that a capital improvement project meets the qualifications of Substantial Completion in accordance with the Contract Documents as determined by the County Engineer. Substantial Completion establishes the date on which a capital improvement enters service as a Harris County asset. The establishment and reporting of this date is important for all governmental entities as outlined in the GASB Statement #34, Capital Assets & Depreciation Guidance, August 31, 2001. These certificates provide a method by which Harris County may document and record this date.
