Background and Discussion:

Report all monies recovered from claimants, all claims that were denied, all claims for damages that was received, monies received for workers compensation claims, payments requested for claimant’s vehicle/property damage and any releases received for payments owed to the county. Tort claim recoveries and expenses are applied to the General Fund (1000) and workers compensation claims and recoveries are applied to the Workers Compensation Fund (5121). \$175,114 of recoveries is partially offset by \$21,797 of expenses, for a net revenue increase of \$153,317.
