Request Summary (Agenda Caption):

Request for approval to accept \$20,000, on a contract reimbursement basis, from Saint Francis Community Services in Texas, Inc. (SSCC/Saint Francis). This contract renewal is for Casey Life Skills Assessment and Life Skills Training completion for current foster youth, in Region 6.

Background and Discussion:

This agreement was approved in 2020 and has been renewed annually. It has allowed us to fulfill a Department of Family Protective Services requirement of current foster youth completing assessments and life skills training before aging out of the foster care system. Once completing these requirements the youth are eligible to receive a transitional living allowance.

Expected Impact:

This agreement will allow us to continue ensuring current foster youth complete assessments and life skills training before aging out of the foster care system. It will also allow HAY Center staff to assess the needs of transition services so that the case management team can engage youth in wraparound services to start their transition plan.
