Subject: Non-Owned Auto Insurance for Certain Harris County Employees

Project ID (If applicable):

Purpose and Request:

Transmittal that the non-owned auto insurance monthly premium will increase to \$41 for the May 8, 2021-May 8, 2022 policy term.

Background and Discussion:

The non-owned auto insurance is an optional coverage program that serves as the primary liability coverage for enrolled Harris County employees should they be involved in an at-fault auto accident while not in course and scope of employment when operating a Harris County controlled vehicle. There are 1,117 Harris County employees currently enrolled in the program. The policy has come up for renewal, and the monthly premium is increasing from \$32.84 to \$41 and will be reflected on the May 28, 2021 paycheck.

Fiscal Impact:

There is no direct fiscal impact to Harris County since the County only facilitates the purchase of the non-owned auto coverage via a payroll deduction.
