Background and Discussion:

On March 12, 2019, Harris County Commissioners Court approved funding for Sunrise Lofts LLC in connection with the Sunrise Lofts Project and submission of the Project to GLO under Application Numbers M 18 UC 48 0215 and M 17 UC 48 0215. Further, on December 16, 2020, GLO notified Harris County that it conditionally approved the Sunrise Lofts project (D2017-0013 and C2018-0040), including the Affirmatively Furthering Fair Housing (AFFH) review. Sunrise Lofts LLC will construct Sunrise Lofts, an 89-unit permanent supportive housing project prioritizing homeless youth ages 18-24 of Harris County, of which 45 units will be CDBG-DR-assisted units and 44 units will be HOME-assisted units. The proposed project is located at 3103 McKinney Street, Houston, Texas 77003, Precinct 1. Total CDBG-DR Harris County project funding will be \$15,384,738.00, and total HOME Harris County project funding will be \$4,427,477.00 for partial costs of construction for the Project. Total Harris County project funding from both sources will be \$19,812,216.00, with a total of all project funding being \$23,015,827.00. The project is jointly funded by the City of Houston with HUD HOME Funds in the amount of \$1,560,000.00 for the cost of the project.

The Sunrise Lofts project was selected via a project application process, which opened on September 11, 2018 and closed March 1, 2019.

Fiscal Impact:

The Sunrise Lofts project is funded with \$15.4M in CDBG-DR Harvey Funds and \$4.4M in HOME Funds, with a total of project funding from both sources being \$19.8M, as awarded by GLO and administered by the Community Services Department. Total project cost is \$23,015,827. The project is also jointly funded by the City of Houston with HUD HOME Funds.
