Subject: Designation of Certifying Officer for the Lead Hazard Reduction Program, TXLHB0708-18

Project ID (If applicable): 1000000264 and 100001000000956

Purpose and Request:

Request for authorization for Harris County Public Health (HCPH) to designate Barbie Robinson, MPP, JD, CHC, Executive Director of HCPH, in place of Gwen J. Sims, MEd, RD, LD, Interim Executive Director of HCPH, as the Certifying Officer for the United States Department of Housing and Urban Development (HUD) related environmental documents pertaining to the Office of Lead Hazard Control and Healthy Homes (OLHCHH) Lead Hazard Reduction Program, TXLHB0708-18.

Background and Discussion:

The Housing and Urban Development Grant (HUD) Office of Lead Hazard Control and Healthy Homes (OLHCHH) and the Community Services Department (CSD) Program's primary objective is the development of viable urban communities by providing the following, principally for persons of low and moderate income: lead-safe and healthy housing; a suitable living environment; and expanded economic opportunities. The funds can be used for qualifying activities including acquisition, construction and social services.

The HUD lead-based paint reduction program requires compliance with the National Environmental Policy Act of 1969 and each provision of the law designated in 24 CFR 58.5 list of NEPA-related authorities insofar as the provisions of

these laws apply to the HUD responsibilities for environmental review, decision-making and action that have been assumed by the Harris County Public Health.
