Project ID (If applicable):

Purpose and Request:

Request by the District Clerk for approval for an additional budget appropriation for FY2021-22 in the amount of \$500,500 to implement Part 1 of the Juror Participation Plan, as recommended by the Budget Management Department, which includes initiatives to increase convenience and improve the juror experience: meal vouchers at NRG, provide free parking at 1401 Congress, distinct signage for juror parking, free coffee, and an awareness campaign.

Background and Discussion:

On 03/30/2021, at a regular meeting of Commissioners Court, it was ordered that Budget Management convene the Commissioners Court's Analyst's Office, the Justice Administration Department, the District Clerk, and relevant stakeholders and bring back a recommendation regarding our jury initiative 30 days or less. Please find the attached Supplemental Agenda Item letter for the District Clerk to be authorized to implement Part 1 which include five initiatives of the Juror Participation Plan as recommended by the Budget Management Department. The five initiatives include: meal vouchers while at NRG for prospective jurors onsite after 11:00 a.m. and prior to selection as a seated juror, provide free parking at the 1401 Congress Parking Garage, distinct signage for Juror Parking on 1401 Congress Parking Garage, free coffee, and an awareness campaign. This implementation requires approval from Commissioners Court for an additional budget appropriation to the District Clerk for Fiscal Year 2021-22 in the amount of \$500,500. The estimated ongoing costs include \$115,000 for free coffee. For FY2021-22, the Parking Facilities Enterprise Fund would have a potential lost

revenue of \$285,600 as a result of reserving parking spaces for jurors at no cost. The estimated lost revenue for the next fiscal year is \$828,000 for reserving parking spaces for jurors at no cost.

Fiscal Impact:

The proposal to implement Part 1 will be a direct financial impact to Harris County General Budget for Fiscal Year 2021-22 Budget.

Alternatives:

In addition, we request consideration of Part 2 of the Juror Participation Plan for an initiative to pilot a juror pay increase to \$50 for the first day and \$80 for subsequent days to further improve appearance rates, especially low income, minority participation. We will continue to work with the designated County Departments and stakeholders to plan the rollout of this phase. We respectfully ask for approval of this phase at least 6 weeks prior to effective date in order to adequately publicize the initiative to ensure wide-spread knowledge of and response to the new pay rates.

Alignment with Strategic Objective:

Department Strategic Objectives aligned SO1, SO6, SO8, SO22 (Found under Budget Form 3. Goals and Objectives).
