Request Summary (Agenda Caption):

Transmittal by the Office of the County Engineer of Substantial Completion Certificates for capital improvement projects for the third quarter of 2021.

Background and Discussion:

The Substantial Completion Certificate provides documentation that a capital improvement project meets the qualifications of Substantial Completion in accordance with the Contract Documents as determined by the County Engineer. Substantial Completion establishes the date on which a capital improvement enters service as a Harris County asset. The establishment and reporting of this date is important for all governmental entities as outlined in the GASB Statement #34, Capital Assets & Depreciation Guidance, August 31, 2001. These certificates provide a method by which Harris County may document and record this date.
