Request Summary (Agenda Caption):

Request for approval of the Order to Assess costs of Abating a public nuisance for the Demolition, Notification, and administrative fees, totaling \$14,120.13.

Background and Discussion:

The Neighborhood Nuisance Abatement program is focused on the abatement of unsafe structures in Harris county neighborhoods that pose a health and safety risk to area residents including children. The fee stated will be assessed against the property in the form of a lien.

Expected Impact:

The assessment of cost will place a lien on the stated property for the related costs of demolition. These orders will have no impact on general funds or Community Development Block Grant funds. The lien will be payable by the owner of the stated property.

Alternative Options:

If Commissioners Court chooses not to approve this order, the lien will not be placed on the stated property and no funds will be paid back for the demolished public nuisance.
