**Request Summary (Agenda Caption):**

Request for approval of an excavation and removal agreement with Construction Sidekick LLC, in the amount of \$1,000, for construction of regional detention basin No. Q534-01-00. (Cedar Bayou Watershed, Bond ID C-45, Project ID Q534-01-00-E001, Agreement No. 2022-58, Precinct 2).

**Background and Discussion:**

This project will provide partial excavation for a future stormwater detention basin that is currently planned to have a footprint of approximately 216 acres and a storage volume of roughly 1,050 acre-feet. This project is located in the upper northeast portion of the Cedar Bayou watershed between 1960 and US 90.

**Expected Impact:**

This agreement will benefit the District because excavation and removal of material is the highest cost associated with detention basin construction.

**Alternative Options:**

No action will require the District to spend more funds to excavate the detention basin when the

project is  
ready to move to the next phase.
