Request by the Flood Control District for approval to accept an amendment to an agreement with the Texas Water Development Board to extend the end date to June 19, 2022 for the FY 2017 Flood Mitigation Assistance Program (Bond ID Z-Buyout, Project ID Z100-00-00-H063, Countywide).

Background and Discussion:

This is a request to accept and execute a new contract with the Texas Water Development Board for the Flood Mitigation Assistance (FMA) 2017 buyout grant that was originally approved at Commissioners Court on September 24, 2019 and amended in court on October 27, 2020. The contract for this grant expired May 21, 2021. This new contract extends the end date to June 19, 2022.

Expected Impact:

The new contract will allow the District additional time to complete voluntary property acquisition, as well as determine if alternate properties may be added to this grant.

Alternative Options:

No action would result in this grant being expiring and would not allow any additional properties to be

purchased.
