Request Summary (Agenda Caption):

Request for approval of a sole source exemption from the competitive bid requirements and that the County Judge execute an agreement with Rarestep, Inc. d/b/a Fleetio in the amount of \$84,760 for licensing, configuration, training, hosting and support of Fleetio-Managed Software for Harris County for the period of November 30, 2021 - November 29, 2022, with four one-year renewal options.

Background and Discussion:

The purpose of this engineering study initiative is to enhance the County's transportation safety, resilience and operational performance by developing comprehensive engineering guidelines for flood warning systems on Harris County roadways. These engineering guidelines are to incorporate common flood warning components including, but not limited to: early warning systems, roadway flood sensor technologies, traffic control devices, and any other notification devices into existing (and future) Harris County transportation systems.

Expected Impact:

Enhanced County's transportation safety, resilience and operational performance

Alternative Options:

To take no action, loss of CDBG-DR funds
