Request Summary (Agenda Caption):

Request by the Office of County Administration for the approval of an amendment to the agreement with BakerRipley in the amount of \$8.2M for eviction intervention services via the Houston-Harris County Emergency Rental Assistance Program, funded by reallocation of U.S. Treasury Emergency Rental Assistance funds from other jurisdictions.

Background and Discussion:

In January 2021, the U.S. Treasury Department established the Emergency Rental Assistance (ERA) program to provide funding to state and local governments to assist eligible renter households impacted by the COVID-19 pandemic, funded via the Consolidated Appropriations Act of 2021. Commissioners Court established the 2021 Houston-Harris County Emergency Rental Assistance Program on February 9, 2021, in collaboration with the City of Houston. The program administrators are BakerRipley, Catholic Charities, and the Alliance.

Jurisdictions across the country were required to meet performance benchmarks for ERA1 funds by September 2021 or risk recoupment. The US Treasury initiated a reallocation process from underperforming jurisdictions to those demonstrating on-target performance and ongoing need. Harris County met performance targets and was therefore eligible to receive reallocated funds. We were awarded \$8.6M in Round 1 of the ERA1 reallocation in December 2021. A funding request for Round 2 of ERA1 reallocation was submitted in January and on March 14, 2022, the County was notified that we were awarded \$8.9M. Funds were received on April 1, 2022.

Expected Impact:

In February 2022, in response to limited remaining funding and rising eviction cases, the Houston-Harris County Emergency Rental Assistance Program shifted to an eviction intervention model. The requested amendment will provide an additional \$7.5M in rental assistance to support eligible Harris County tenants in active eviction proceedings. The amendment also includes \$711k for BakerRipley for application processing and payment, technology, and other program development costs. Funding for this agreement will be fully provided by the U.S. Dept. of the Treasury CAA ERA1 Funds.
