MWDBE Current Participation (if applicable): N/A
Justification for 0% MWDBE Participation Goal: N/A - project was awarded prior to launch of County's M/WBE Program

Request Summary (Agenda Caption):
Request for approval of an amendment to an interlocal agreement with Harris County Water Control and Improvement District No. 109, in the additional amount of $14,338.00, for construction of drainage improvements to Green Springs Drive and Pinewood Springs Drive in the Greenwood Forest Subdivision and construct a detention pond at Pinewood Springs Drive to reduce excess stormwater flow into HCFCD Unit P152-00-00. (Green Bayou Watershed, Bond ID Z-02, Project ID P152-00-00-E002, Agreement No. 2020-12, Precinct 1).

Background and Discussion:
The Harris County Water Control & Improvement District No. 109 constructed drainage improvements to

Green Springs Drive and Pinewood Springs Drive in the Greenwood Forest Subdivision and it constructed a detention pond on its property to mitigate impacts from excess storm water flows, thereby reducing storm water flow to the District's channel, Unit P152-00-00, during extreme rain events.

Expected Impact:
The project was designed to reduce flood risks in the Greenwood Forest Subdivision, and these improvements will also reduce storm water flow into the District's channel P152-00-00 during extreme rain events, thereby reducing flood risks in the Greens Bayou watershed.

Alternative Options:
N/A
