Request Summary (Agenda Caption):

Request for approval of an interlocal agreement with Meadowhill Regional Municipal Utility District, in the amount of \$1,358,810, for a partnership project in support of a stormwater detention facility and stormwater improvements within the subdivision to provide flood protection at HCFD Unit K124-05-00. (Cypress Creek Watershed, Bond ID Z-02, Project ID K124-05-00-E001, Agreement No. 2022-88, Precinct 3).

Background and Discussion:

The Meadowhill Regional Municipal Utility District (RMUD) has experience flooding on multiple occasions. This request is for approval of an interlocal agreement for a partnership project with Meadowhill Regional Municipal Utility District for a flood protection project for Harris County Precinct 3 residents adjacent to K124-05-00. HCFCD's participation is funding only. The design and construction will be handled by Meadowhill RMUD. The total cost of the project is \$2,717,620. HCFCD's share is 50/50 or \$1,358,810. The project will be

funded by the Z-02 Bond Fund.

Expected Impact:

The Meadowhill RMUD partnership project will construct a detention facility and storm water improvements within the subdivision to provide flood protection. The project benefits 51 structures for the 100-year event.

Alternative Options:

The alternative would be not to enter this agreement with the Meadowhill RMUD and identify another partner which would delay the progress of this flood projection project.
