**Justification for 0% MWDBE Participation Goal:** N/A - project was awarded prior to launch of County's M/WBE Program

**Request Summary (Agenda Caption):**

Request for approval of a renewal option with R.G. Miller Engineers, Inc. for professional architectural and engineering services to study and design the construction of residential developments for Harris County for the period of October 29, 2022 - October 28, 2023 at a cost of \$1,000,000 (190217), Justification for 0% MWDBE Participation Goal: N/A - project was awarded prior to launch of County's M/WBE Program.

**Background and Discussion:**

The CSD Single Family New Construction Program in partnership with HCED is developing 5 different acreage tracts which include affordable homes designated to serve families with a Low-to-Moderate Income (LMI). R.G. Miller Engineers and Edminster, Hinshaw, Russ & Associates, Inc. d/b/a EHRA Engineering had been procured to provide Architectural & Engineering Services for the development. A third

renewal of the existing architectural and engineering services to study and design the construction of residential developments is being requested.

**Expected Impact:**

This will allow the single-family new construction program to obtain professional architectural and engineering services to study and design the construction of residential developments for Harris County and approval from the General Land Office to provide funding for the project.

**Alternative Options:**

Without professional architectural and engineering services to perform the study and design the construction of residential developments the General Land Office will not approve funding for this project and could potentially end all the project.

**Alignment with Goal(s):**

- Justice and Safety
- Economic Opportunity
- Housing
- Public Health
- Transportation
- Flooding
- Environment
- Governance and Customer Service

**Prior Court Action (if any):**
