Request Summary (Agenda Caption):

Transmittal by the Office of Management and Budget of proposed new CIP projects, submitted by County departments.

Background and Discussion:

In preparing the FY 2023-27 CIP Plan, OMB has gathered proposals for new CIP projects from County departments. OMB has received 29 new requests totaling at least \$11-14M. Not all projects will start in FY 2023, and not all projects may ultimately go forward, but OMB wanted to provide a full inventory of department requests. Furthermore, due to the continuous nature of the CIP process approved by Commissioners Court, some additional requests may come up during the year that are not on this list. Any projects will go through the standard Investment Memo process for Commissioners Court approval before launch.
