Request Summary (Agenda Caption):

Request for approval of a renewal option with Environmental Tree and Design, Inc for tree spading services for the Flood Control District for the period of December 1, 2022 - November 30, 2023 at a cost of \$344,085, and for the County Clerk to execute any applicable bonds to be received (180287).

Background and Discussion: Tree spading services are utilized when desirable trees are identified within construction project limits and the trees are of suitable size and condition to be relocated outside of the construction zone. The District also works with internal staff and external contacts to identify existing and future hike and bike trails that could benefit from relocation and placement of larger trees to enhance the aesthetics of these multi-use facilities.

Expected Impact: N/A

Alternative Options: N/A
