Request Summary (Agenda Caption):

Request by Human Resources and Risk Management for approval to transfer approximately \$2.4 million in CARES-eligible labor expenses to the CARES Fund 2650.

Background and Discussion:

Harris County received \$426M of CARES funds in 2020 to support community programs and direct spending for COVID-19 response work. CARES funds must have been obligated by December 31, 2021 and expended by September 30, 2022 for eligible costs as defined in guidance by the U.S. Treasury Department. Because of supply chain issues, program refunds, and earned interest, approximately \$2.4M will not be obligated and expended by September 30th. This request is to transfer approximately \$2.4M in prior year Public Health regular labor costs to the CARES grant as allowed under U.S. Treasury guidance. Overtime will still be funded through FEMA’s Public Assistance Program. If approved, Human Resources & Risk Management will coordinate with the Auditor’s Office and Office of Management and Budget on any necessary budget adjustments, journal entries or financial transactions to accomplish this transfer.

Expected Impact:

If Harris County does not apply COVID related expenses to the remaining CARES funds, those remaining funds would need to be submitted back to the U.S Treasury.
