**Request Summary (Agenda Caption):**

Request for approval of an interlocal agreement with Rankin Road West Municipal Utility District, in the amount of \$4,782, for reimbursement of mowing HCFCD Unit P146-00-00 for a term of five years. (Greens Bayou Watershed, Project ID P146-00-00-V003, Agreement No. 1471, Precinct 1).

**Background and Discussion:**

Rankin Road West Municipal Utility District (RRW MUD) has requested the right to mow the subject area so that the area can be mowed more than 3 times per year. We will reimburse the RRW MUD at the same rate as we would pay our own contractors.

**Expected Impact:**

Mowing Reimbursement Agreements allow outside entities to mow an area more than three times a year. The benefit to the district is we receive less complaints about high grass within our Rights of Way at no additional cost to the district.

**Alternative Options:**

It will only be maintained 3 times a year, allowing for significant vegetation overgrowth in between cycles.
