Request for approval to amend a purchase order in the amount of \$52,545.00 with Raba-Kistner Consultants, Inc. for Professional Engineering Services for Construction Materials Testing to construct Drainage Improvements to Castlewood Addition Section 3 and 4 Subdivision, UPIN 19102MF17301, Precinct 2, MWDBE Contracted Goal 0% (Non-Divisible).

Background and Discussion:

Construction of underground utilities and ditches in the Castlewood Addition Section 3 and 4 Subdivision.

Expected Impact:

Constructing underground utilities and drainage ditches will improve drainage, thereby improving mobility and safety for all road users and flood resiliency for all adjacent properties. This agreement will allow the firm to conduct field and laboratory testing on soil, concrete, asphalt and various other construction materials. This

testing will ensure the material's compliance with Harris County Engineering and other governing bodies specifications as required by state law.

Alternative Options:

Construction materials testing is required by state law. Thus, alternatives include executing an agreement for similar services to a different vendor or cancelling this construction project.
