**Request Summary (Agenda Caption):**

Request by the Flood Control District for approval to accept from the Texas Water Development Board grant funds in the amount of \$3,760,150, with no required match, for the FY 2020 FEMA Flood Mitigation Assistance Program.

**Background and Discussion:**

Purchase and demolition of a Severe Repetitive Loss property with FMA2020 grant funds requiring no local match.

**Expected Impact:**

Purchase and demolition of a Severe Repetitive Loss property will remove the structure (a motel) from the floodplain, preventing future flood insurance claims, and allow the floodplain to function in a more natural manner.

**Alternative Options:**

Structures remain in the floodplain and will be susceptible to frequent and severe flooding, leading to additional claims being paid through the federally subsidized National Flood Insurance Program.
