### Request Summary (Agenda Caption):

Request for approval to adjust FY 2023 law enforcement department budgets to reflect changes to the number of contract patrol officers as of October 1, 2022 relative to the number of officers on March 1, 2022.

### Background and Discussion:

The Office of Management and Budget annually compiles a list of all patrol contracts submitted for the upcoming fiscal year and requests budget adjustments for departments to account for the cost of contract positions added or reduced relative to the prior year. Attached is a list of contract patrol agreements effective October 1, 2022. The County now has a total of 1,142 contract officers which is a net increase of 55 compared to March 1, 2022. General Fund budget adjustments totaling \$6.1M are requested for the agencies providing the service with approximately 90% of the cost covered by customers and 10% of the cost covered by the county. Requested budget adjustments by department are:

Agency	Change in # of Officers	Budget Adjustment
