Request for approval of a renewal option with Phonoscope, Inc.; Comcast Cable Communication; and AT&T Corp. for data telecommunications for Harris County through September 10, 2023 at a cost of \$1,500,000 (160175), MWDBE Contracted Goal: N/A - project was awarded prior to launch of County's M/WBE Program.

Background and Discussion:

We have 3 of the major service providers on contract in the area that we use for our data circuit connectivity and internet providers. For new circuits, we check with each to determine who has service availability in the areas as well as over all best pricing and solution for the departments needs.

Expected Impact:

Provide network connectivity for all of our HC locations and provide services for HC taxpayers.

Alternative Options:

We have looked at doing a Dark Fiber solution where HC would provide and support all the networking equipment and support however this is a costly option.

Alignment with Goal(s):

- ☐ Justice and Safety
- ☐ Economic Opportunity
- ☐ Housing
- ☐ Public Health
- ☐ Transportation
