Request by the Constable of Precinct 3 for approval of an interlocal agreement with Sheldon Independent School District for Sheldon ISD to provide the department with a bomb and ammunition detecting canine and for the department to provide a canine handler for law enforcement activities to be administered at all property owned by Sheldon ISD.

**Background and Discussion:**

Prior experience with school safety endeavors has shown that a bomb and ammunition detecting canine can be a useful tool for law enforcement officers in their efforts to improve school safety because the bomb- and ammunition-detecting canine adds a means of detecting and deterring the use of bombs and firearms/ammunition in schools, which the officers otherwise would not have at their disposal.
