Justification for 0% MWDBE Participation Goal: N/A - Goal not applicable to request

Request Summary (Agenda Caption):

Request for approval to negotiate with United Consulting for Professional Engineering Services regarding Construction Materials Testing and related Services to construct Fountainview Sec. 1 & 2 Subdivision Drainage Improvements - 2018, UPIN 19101MF12F01, Precinct 1.

Background and Discussion:

Construction of underground drainage utilities and reconstruction of driveways and roadway in the Fountainview Sec. 1 & 2 Subdivision.

Expected Impact:

Constructing underground utilities and reconstructing the roadway will improve drainage and paving conditions, thereby improving mobility and safety for all road users and flood resiliency for all adjacent

properties. This agreement will allow the firm to conduct field and laboratory testing on soil, concrete, asphalt and various other construction materials. This testing will ensure the material’s compliance with Harris County Engineering and other governing bodies specifications as required by state law.

Alternative Options:

Construction materials testing is required by state law. Thus, alternatives include executing an agreement for similar services to a different vendor or cancelling this construction project.

Alignment with Goal(s):

- Justice and Safety
- Economic Opportunity
- Housing
- Public Health
- Transportation
- Flooding
- Environment
- Governance and Customer Service
