Request for approval of an interlocal agreement with Harris County Municipal Utility District No. 202, in the amount of \$29,705, for reimbursement of mowing HCFCU Units P149-00-00, P549-01-00, and P552-02-00 for a term of five years. (Greens Bayou Watershed, Project ID P149-00-00-V011, Agreement No. 1488, Precinct 1).

**Background and Discussion:**

This interlocal mowing agreement has been approved in the past. Harris County Municipal Utilities District No. 202 has completed previous mowing cycles within appropriate parameters. The District will reimburse the Harris County Municipal Utilities District No. 202 at the same rate as we would pay our own contractors.

**Expected Impact:**

Mowing Reimbursement Agreements allow outside entities to mow an area more than three times a year. The benefit to the Flood Control District is we receive fewer complaints about high grass within our Rights-of-Way

at no additional cost.

**Alternative Options:**

The Flood Control District would only mow the area 3 times per year with our own contractors.
