Request Summary (Agenda Caption):

Request for approval of an interlocal agreement with Harris County Water Control and Improvement District No. 145, in the amount of \$160,879, for a reimbursement of mowing HCFCD Units U106-00-00, U106-07-00, U106-08-00, and U106-09-00, for a term of five years. (Addicks Reservoir Watershed, Project ID U106-00-00-V015, Agreement No. 1482, Precinct 3).

Background and Discussion:

This interlocal mowing agreement has been approved in the past. Harris County Water Control and Improvement District No. 145 has completed previous mowing cycles within appropriate parameters. The District will reimburse the Municipal Utility District at the same rate as we would pay our own contractors.

Expected Impact:

Mowing Reimbursement Agreements allow outside entities to mow an area more than three times a year. The benefit to the Flood Control District is we receive fewer complaints about high grass within our Rights-of-Way

at no additional cost.

Alternative Options:

The Flood Control District would only mow the area 3 times per year with our own contractors.

Alignment with Goal(s):

- ☐ Justice and Safety
- ☐ Economic Opportunity
- ☐ Housing
- ☐ Public Health
- ☐ Transportation
- ☒ Flooding
- ☐ Environment
- ☐ Governance and Customer Service
