Request Summary (Agenda Caption):

Request for approval of an interlocal agreement with Harris County Municipal Utility District No. 1, in the amount of \$56,537, for a reimbursement of mowing HCFCD Units M109-00-00, M109-01-00, M109-01-01, and M109-02-00 for a term of five years. (Willow Creek Watershed, Project ID M109-00-00-V004, Agreement No. 1483, Precinct 3).

Background and Discussion:

This interlocal mowing agreement has been approved in the past. Harris County Municipal Utility District 1 has completed previous mowing cycles within appropriate parameters. The District will reimburse the Municipal Utility District at the same rate as we would pay our own contractors.

Expected Impact:

Mowing reimbursement agreements allow outside entities to mow an area more than three times a year. The

benefit to the Flood Control District is we receive less complaints about high grass within our rights-of-way at no additional cost to the District.

Alternative Options:

The Flood Control District would only mow the area 3 times per year with our own contractors.

Alignment with Goal(s):

- ☐ Justice and Safety
- ☐ Economic Opportunity
- ☐ Housing
- ☐ Public Health
- ☐ Transportation
- ☒ Flooding
- ☐ Environment
- ☐ Governance and Customer Service
