Request Summary (Agenda Caption):
Request for approval of an interlocal agreement with Harris County Municipal Utility District No. 391, in the amount of $29,434, for reimbursement of mowing HCFCD Unit K145-05-00 for a term of five years. (Cypress Creek Watershed, Project ID K145-05-00-V005, Agreement No. 1485, Precinct 3).

Background and Discussion:
This interlocal mowing agreement has been approved in the past. Harris County Municipal Utilities District No. 391 has completed previous mowing cycles within appropriate parameters. The District will reimburse the Harris County Municipal Utilities District No. 391 at the same rate as we would pay our own contractors.

Expected Impact:
Mowing Reimbursement Agreements allow outside entities to mow an area more than three times a year. The benefit to the Flood Control District is we receive fewer complaints about high grass within our Rights-of-Way at no additional cost.

Alternative Options:
The Flood Control District would only mow the area 3 times per year with our own contractors.

Alignment with Goal(s):

_ Justice and Safety
_ Economic Opportunity
_ Housing
_ Public Health
_ Transportation
X Flooding
_ Environment
_ Governance and Customer Service
