Request Summary (Agenda Caption):

Request for approval to negotiate with Halff Associates, Inc. for Construction Administration Phase Professional Engineering Services in connection with Holderrieth Road from SH 249 to 850' west of Hufsmith-Kohrville Road, Precinct 3.

Background and Discussion:

Halff Associates, Inc. was previously contracted through an on-call services agreement to perform the design of the road project and is the engineer of record.

Expected Impact:

The goal of improving Holderrieth Road is to achieve a level of service to meet current and future traffic volumes, reduce delays, and reduce structural flooding of adjacent residences, businesses, and schools.

Alternative Options:

An alternative option would be to use another firm that is not familiar with the project or the engineer of record. This alternative would add significant cost and is likely unfeasible.

Alignment with Goal(s):

- ☐ Justice and Safety
- ☐ Economic Opportunity
- ☐ Housing
- ☐ Public Health
- ☒ Transportation
- ☒ Flooding
- ☐ Environment
- ☐ Governance and Customer Service
